

THISTLES WIN THE TROPHY; THE BONSPPEIL A SUCCESS

The big Royal Caledonia Club bonspiel, held by the New Brunswick branch is being finished up early this morning. The Thistle Club have captured the Blair trophy presented by Andrew Blair of Edinburgh, Scotland.

Yesterday morning two Thistle rinks on the St. Andrew's ice, defeated Fredericton in the doubles, while two Sackville rinks defeated Moncton on the Thistle ice. This left the Thistles and Sackville to play off for the prizes in the afternoon.

There was also a match in the singles on the St. Andrew's ice during the afternoon when Skip W. A. Shaw, of the Thistles, defeated J. H. Hawthorne of Fredericton and put the latter out of the Thistle club.

In addition to winning the trophy and shield each player of one of the winning rinks received a watch presented by E. A. Smith, the president of the St. Andrew's club, while the players in the other rinks received souvenir pins presented by F. F. Burpee, the president of the Thistle club.

The Sackville players who won second place, received eight emblematic pins presented by E. L. Rising, the vice-president of the St. Andrew's club.

The prizes in the single competition are, for first prize, four emblematic medals, presented by M. Lodge of Moncton, and for second prize, four emblematic pins, presented by C. H. Ferguson, the secretary of St. Andrew's club.

The most exciting finish of the day's play was last night when Skip W. J. Brown of the Thistles battled with S. D. Simmons of Fredericton in the fourth round of the singles. Brown had been leading until the thirteenth end, when Simmons went one in the lead.

On the fourteenth end Brown, by a nice draw, tied the score and an extra end had to be played, and with another nice draw shot Brown scored one on the end and won the match amid great applause.

W. A. Shaw in his third round defeated the Moncton rink skipped by J. Edwards, and this game was finished about eleven o'clock and he was slated to play the fourth round with Skip S. Roxborough of the Carleton club.

The ice was getting soft and the Shaw rink was pretty tired after playing steadily all morning, afternoon and evening, while the Carleton rink had not played a game during the day. Some of the members of the Shaw rink protested that as the game was between two city rinks it could be very well played at a future date, but Carleton were on hand, having been ordered to be on hand, and any protests did not go with the executive and the Thistle men had to play and the two rinks started the fourth round at 11:45 o'clock last night.

Skip Brown's rink was waiting at the rink this morning until the finish of the match to play Roxborough for the finals should he defeat Shaw, and if such takes place the game will not finish until nearly 4 o'clock this morning.

The following are the results of yesterday's playing:

Child Had Bronchitis

Once people get acquainted with the wonderful control which Dr. Chase's Syrup of Limes and Turpentine exerts over bronchitis, whooping cough, croup and colds it is not easy to persuade them that anything else is "just as good." This is why the imitators never get very far.

In 1902 Mrs. Eugene Her, King street, Truro, N. S., wrote as follows: "From an infant one of my children was troubled with bronchitis, and the least cold would aggravate the trouble. We could not get anything to help him and were often greatly alarmed."

Hearing of Dr. Chase's Syrup of Limes and Turpentine as a treatment for bronchitis we used it, and are glad to state that it effected a complete cure. If any of the children take cold or cough, I give this medicine and have never known it to fail to bring relief."

Mrs. Her now writes that she has since proven this medicine to be a cure for whooping cough, and would not be without it in the house.

From the golden wheat berry to the clean new bag or barrel your own white hands are the first that touch FIVE ROSES none other is pure enough for you.

YOU CAN BUILD OR REMODEL IN WINTER TIME. With Beaver Board you can build walls and ceilings in winter. It takes the place of lath and plaster and can be applied at any season. It is equally good for new work or remodeling.

It never cracks and never needs replacing; makes a house warmer in winter and cooler in summer. Ask us about Beaver Board's 41 advantages and let us show you how you can use it. Write, call or telephone.
