

In conclusion, I beg once more to thank the officers and members of Grand Lodge, and all the Brethren with whom I have been brought in contact for the courteous treatment and fraternal kindness which they have upon all occasions extended to me.

Fraternally yours,

JOHN YEO.

DEPUTY GRAND MASTER'S REPORT.

To the M. W. Grand Lodge of Prince Edward Island:

BRETHREN,—

On the 1st July last, in company with Bro. P. D. G. M. Wakeford, I officially visited Prince Edward Lodge, at Stanley Bridge, dedicated their Hall and duly installed their officers. This new Lodge starts out with very fair prospects of success, being located in a settlement from which good material can be drawn.

On the 15th March, in company with several members of Grand Lodge I officially visited King Hiram Lodge, at Summerside, as there was no candidate I requested the W. M. to exemplify the F. C. degree, which was fairly done. I find their minutes show eight communications, average attendance eight.

At the same time and place Mount Lebanon Lodge was also convened. I requested the W. M. to exemplify the E. A. degree, which he did, but I should like to see a little more effort put forth by the Summerside Lodges to perfect themselves in the ritual of our time-honored institution.

This Lodge held ten communications, with an average attendance of ten; at one meeting only six were present.

Tuesday, March 16th, I visited Alexandra Lodge, which claims our Grand Master as a member, and Bro. Yeo may well be proud of Alexandra Lodge. I found the officers all in their places, well up in their work, and very anxious for information.

This Lodge held eleven communications, average attendance ten.
