The West Lorne textile factory, which has been idle for several months, has resumed operations under the management of a new company. C. B. Weissbrod, one of the foremost textile experts in the Dominion, is in charge of the manufacturing part of the business, and Thomas W. Sims, formerly editor of the West Lorne Sun, has charge of the business office.

Wm. R. S. Henderson, son of the late Rev. Alex. Henderson, of Appin, stood second in a class of 900 in the University of Edinburgh, graduating with honors with the degree of B. S. He had the distinction of being selected by Cunningham Craig, the eminent consulting geologist, as a member of his staff, and is now in Rumania, surveying for oil in the foothills of the Carpathian Mountains.

Alisa Craig, Middlesex county, is the largest local beef and dairy shipping centre in Canada. From this point annually are shipped over 6,000 export beef cattle, weighing from 1,100 pounds to 1,400 pounds each. Prior to the passing of the Forney Bill many American buyers came directly to the farms in the vicinity of Alisa Craig to secure these fine cattle, and frequently prices were controlled at the Chicago stock yards by the Alisa Craig cattle.

EKFRID STATION

A successful picnic was held recently in the grove of Mrs. William Congdon, under the auspices of the Eureka Community Club. A delightful and lengthy program of readings and songs was given by the following young ladies and children: Marion Campbell, Sadie Switzer, Alice Watterworth, Bertha Congdon, Dorothy Congdon, Owen Eaton, Kathleen Congdon, Margaret McLaughlin, Kathleen Skinner, Carrie McLean and Ida Switzer. A paper on "Making suitable articles for the home out of odds and ends," by Mrs. Wm. Switzer, was instructive and interesting. A program of sports was carried out and prizes were awarded to the winners. Then the number of 104 sat down to an appetizing supper. An exciting game of basketball was played between the married and single ladies, with score in favor of the latter. The afternoon's enjoyment was brought to a close by all joining hands and singing "They Are Jolly Good Fellows." The next meeting will be held at the home of Mrs. Ben. Switzer on Sept. 7th, the roll call to be answered by tested canning recipes.

Miss Frances Wynn has returned to her home here after visiting with friends in Detroit.

There'll be fun, frolic and fairs galore at Newbury civic holiday celebration, August 21st.

Say it with printing.

OPEN LETTER TO FARMERS

To the Editor of The Transcript:
Dear Sir—This is an open letter to the farmers around Newbury, asking them to bring in their wheat and support the Newbury flour mill and help to keep the mill working more night and day if possible. The farmers and storekeepers do not seem to realize that if the mill can be kept at work it means more money coming into the village and more work for more men.

Just get together and see what you can do to help keep the mill at work. All those machines would be far better at work than being idle, and help the miller to get a living. We all have to live and pay our way, and the miller cannot keep the mill going unless the farmer will help him to keep it working. And it is to the farmer's own interest to have his own wheat ground and get his own flour and feed.

The farmer knows when he gets his own wheat ground he can get his own flour, bran and shorts, and he ought to know which is best—his own or what he buys. So, just hurry up, you farmers, and let us hear the old mill humming these days, and just watch results.

One Interested.

HYDRO RATES REDUCED

Twenty-five Per Cent. Reduction for Glencoe Now in Effect

After billing Glencoe for July at the old rate and leaving the local commissioners to believe that a reported cut was "all moonshine," the Ontario Hydro-Electric Power Commission have issued a new schedule of rates for Glencoe by which domestic lighting is reduced from eight cents to six cents per kw. hr., and commercial lighting and power from sixteen cents to twelve cents per kw. hr. The new rate comes into effect as from July 1, and users are now receiving their July statements at the reduced tariff. The street lighting has also been reduced to the extent of \$5 per year for each light. Power users have obtained a substantial reduction and the village will pay \$76 instead of \$101.50 p.a.

APPIN GARDEN PARTY

Appin's community garden party and celebration was held on Wednesday afternoon and evening, with all the old-time clan, ecclat, zip and pep of this well-established summer entertainment, weather conditions being perfect.

The celebration began before two o'clock with a callithumpian parade, which for magnitude, beauty and variety of costume and general appearance excelled the efforts of our fathers in the early eighties, when such processions were more common than they are today. After judging the various classes of contestants and awarding prizes thereto, an enjoyable game of ball was engaged in between the callithumpians and the Has-beens, much to the delight and amusement of the 600 spectators who had gathered to enjoy the afternoon's sport.

This was followed by one of the best games of ball played on the park this season. The contestants were Dutton and Appin. The game resulted in a score of 3 to 0 in favor of the home team. Races and a game of basketball between Appin and Kilmartin teams, in which Kilmartin were champions, concluded the afternoon performance.

The evening entertainment, which began at 7 o'clock with a band concert given by the First Hussars Band, of London, was attended by over 2,000 people, who in their delight and enthusiasm proclaimed this the crowning effort of the committee in charge. The Galt quartet, who have few equals, held the audience spellbound. Owen Smiley, a local electioneer, was at his best, while Kelly, of Toronto, ventriloquist, delighted both young and old. Much interest was also taken in the radio-phonograph operated by Chas. Hunter, of London.

In all, the people of Appin and vicinity are to be congratulated on their community spirit and on the enthusiasm displayed in the development of their local playground, which eight years ago was nothing but an unsightly swamp. The total proceeds of this entertainment was upwards of \$250, the surplus of which will go to the further improvement of the community park.

Brass bands, big crowds and beautiful weather have been arranged for Newbury's civic holiday celebration.

Barbers are always ready to take something off for cash.

EKFRID COUNCIL

The municipal council of the township of Ekfrid resumed its sitting in the town hall, Appin, on Thursday, July 27th. All the members were present.

The minutes of last meeting were read and approved and signed by the clerk.

A number of accounts were ordered paid, and the council adjourned to meet again on Monday, August 14th, at 10 o'clock forenoon.

A. P. McDougald, Clerk.

An all day, a big day, a glorious day of sports, fun, frolic and recreation at Newbury civic holiday celebration.

When a flapper blushes you have to take her word for it:—
Muscular Rheumatism Subdued.—Muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

TAKE NOTICE THAT

1. The council of the municipal corporation of the Village of Glencoe intends to construct a granolithic sidewalk forty inches wide on the south side of Mill street from Park avenue to Main street as a local improvement, and intend to specially assess a part of the cost upon the lands abutting directly on the work.

2. The estimated cost of the work is \$300.00, of which \$150.00 is to be paid by the corporation, and the estimated special rate per foot frontage is 35c. The special assessment is to be paid in ten annual instalments.

3. Persons desiring to petition against undertaking the work must do so on or before the twelfth day of September, 1922.

Dated at Glencoe this 10th day of August, 1922.
CHARLES GEORGE, Clerk.
