### Are The Four Fruits Used in Making "Fruit-a-tives"

"FRUIT-A-TIVES" is the only medicine in the world that is made from the juices of fresh ripe fruits. Thus, it is manifestly unfair to say, "I won't take Fruit-a-tives because I have tried other remedies and they did me no good". On the other hand, the fact that "Fruit-a-tives" is entirely different from any other preparation in the world, is just why you should give it a fair trial, in any trouble of the Stomach, Liver, Bowels, Kidneys or Skin. "Fruit-a-tives" is composed of the active principle of fruit and the greatest nerve tonic ever discovered. 50c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

The Heinz pickling station at Newbury has had a short season, with rather poor returns, only 350 barrels of dills being put up, in comparison with 1,000 last season.

John Kettlewell, while helping at a threshing on the farm of B. Pearce, concession 5, Caradoc, fell from the separator and was caught in the belting. His arm was broken in two places, his face was badly crushed and he sustained internal injuries.

The heavy frost did a great deal of damage in the Newbury district. In the lowlying parts the tomato and cucumber vines were completely cut off, even in places where they were covered. Many who had invested considerable in corn and beans are heavy losers.

Fire, believed to have been of incendiary origin, completely destroyed the barn of James Lynch, just east of Wabash, early Sunday morning. The barn, implement shed, implements, the season's crops and five horses were lost. The total loss will be a heavy one.
