"FORD"
The Question of Depreciation

You cannot afford to overlook the question of depreciation when buying a car, because the time will come when you will either sell the car you have bought or turn it in on a new car. The loss you will have to take will depend on your choice now.

Ask the owner of any car purchased within the last 15 months, at a price varying from \$2,000 to \$4,000, what loss he would have to take on a resale. The amount will surprise you!

The more expensive the car the more the owner stands to lose. Excessive cost of upkeep kills the demand for a used car of this class.

Buy a FORD. It costs so little to run and repairs and replacements for worn parts can be so easily obtained that the demand for used Ford cars reduces depreciation to the minimum.

WARNS AGAINST POPPIES

The commissioner of agriculture of Massachusetts has issued a warning against the introduction of American poppies for sentimental reasons. Those who have witnessed the havoc played by this seductive plant to the fields of Belgium and France have shuddered at the thought of similar damage to the farmers of America. Like the devil's paint brush it is said to be a very besom of agricultural destruction.

The planters of poppy in the corn poppy and is almost cardinal red. Fields blaze with and are abandoned to it. It is described as fair to the landscape as a humid sunset to the horizon, but it has no use, either for oil, opium or feed. The work of the poppy and American daisy in meadow lands can well be compared. Once established it is difficult to rid lands of the plant.

AILS CRAIG VETERAN DEAD

Daniel Stewart Cameron, who died at Ailsa Craig on Thursday, aged 79, was a witness to the murder of Thos. Scott by Louis Riel and his rebel half-brothers during the Red River Rebellion. Mr. Cameron had gone West to seek his fortune and fell into the hands of Riel, who imprisoned him and several others in Fort Garry. Scott was riddled with bullets in full view of the window of the room in which Mr. Cameron and his companions were confined. Mr. Cameron pleaded with Riel for permission to give Scott a decent burial, but was refused.

Theodore Gray of London played the wedding march and during the signing of the register Dr. Calvin L. Shafor of Detroit sang "O Promise Me." After a dainty wedding breakfast was served, the happy couple left for Toronto and other eastern points, the bride travelling in a navy blue suit and jade hat. On their return they will reside in Windsor.
