FINANCE COMMITTEE IS IN FAVOR OF G.R.R. CO'S PLANS

WILL RECOMMEND ADOPTION OF ITS FREIGHT LINE DI- VERSION

At the regular meeting of the Finance Committee, last evening, Secretary Pope and Engineer Fairlie, of the Hydro-Electric Power Commission, presented a plan of entry to King Street for the passenger spur proposed to be constructed in the South Ward, when Hydro gets the Galt, Elgin branch of the C.P.R.

As stated at the meeting held on Friday evening of last week, these representatives wished to have the city council defer giving its approval to the Grand River Railway's freight line diversion plan until Hydro can get its own plan before the Dominion Railway Board and be declared to have priority. This to avoid Hydro

having to construct and guard the level crossing which will be set up when the two lines cross.

The whole question was carefully considered. Among the points was a plea of the F.W.D. Co. for an endorsement of the Grand River Railway's plan, it having commenced building a factory in that quarter, on the strength of an assurance that the G.R.R. plans would be endorsed by the council.

After careful consideration of both plans, the Finance Committee recommended that after the Council has inserted in its resolution, a clause protecting the city against loss through accidents that may occur on the streets to be crossed, the plan of the Grand River Railway be approved and the Dominion Railway Board notified.

CINCINNATIS AT CHICAGO FAVORITES IN THIRD GAME

TO-DAY MAY DECIDE IF WHITE SOX ARE TO BE TRAILERS

CHICAGO, Oct. 3.—Carrying a two-games lead, the Cincinnati Reds invaded the home territory of the Chicago White Sox for the third contest of the world-series game.

Many baseball men believed to-day will virtually decide whether the American league pennant winners are to be serious contenders for the championship or play under an overwhelming handicap during the remainder of the series.

The two teams, accompanied by some two thousand Cincinnati rooters, arrived here early to-day on more than a dozen trains. The Reds are

confident, that they will return to Ohio on Sunday night possessors of baseball's highest honors and the White Sox determined to overcome their handicap while playing on their home grounds. The Reds are 8 to 5 favorites.

A FEW GLIMPSES INTO THE POLITICAL ARENA.

The convention of the Reform Association of North Waterloo was held in Waterloo this afternoon. It was generally expected that Mr. Walter J. Snider of Conestogo would receive the nomination as the party's candidate in the election.

The convention of the South Waterloo Liberal Conservative Association to nominate a candidate will be held tomorrow afternoon in Galt. The standard bearer for the Liberals in the south riding is Dr. Charlton of Galt, who secured the nomination at the convention held in New Hamburg this week.

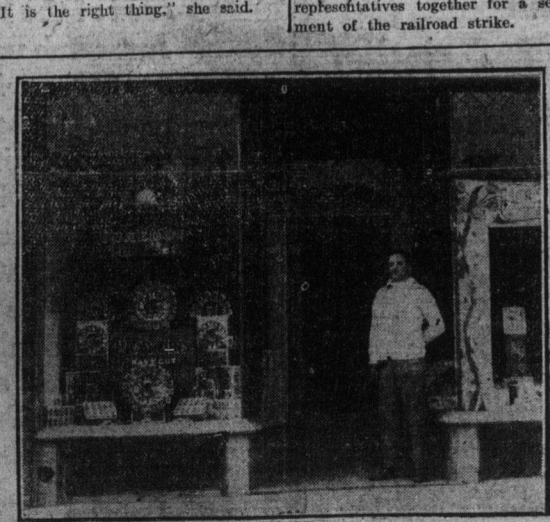

The campaign of the Independent Liberal candidates in this riding, namely Ald. N. Amussen, is on. Last evening a meeting was held in Conestogo. This evening, the place is St. Jacobs, the stronghold and home of the Reform Association's candidate, namely, Mr. Walter Snider.

The Independent Liberal candidate Mr. George Haselnd begins his campaign this evening in Waterloo. The speaker is waiting for the next candidate to enter the field. So far it has been a case of one, two, three, etc. The announcement that a Socialist candidate is to be placed in the field as is known means the sixth candidate but is the last? Has the contagion been checked?

At the forthcoming elections to be held on Oct. 20th, this city will have 45 polling booths instead of 23. Each booth will have a Deputy Returning Officer and two poll clerks. The town of Waterloo will have 14 instead of 8. This means there will be 59 Deputy Returning Officers and 118 poll clerks to take care of the voting.

NEW YORK, Oct. 2.—In an interview here to-day Queen Elizabeth, of Belgium, declared she fully approved of woman suffrage. "Woman suffrage is a good thing. It is the right thing," she said.

LONDON, Oct. 3.—Negotiations between the Government and Labor representatives, other than railwaymen, were resumed to-day in an effort to bring the authorities and railway representatives together for a settlement of the railroad strike.

CITY POSTMASTER TO BE APPOINTED TO-DAY.

(Special To The Record).
Ottawa, Oct. 3.—This afternoon there will be a postmaster named to fill the vacancy in Kitchener Postoffice, caused by Mr. H. F. Boehmer's resignation.

Your correspondent learns on good authority that Mr. E. H. Lindner has been recommended for the position, by the Postmaster-General.
And will probably get it.

WINDSOR VETERANS AND VOTERS' LIST

GET A CONCESSION TO ENTER NAMES

WINDSOR, Oct. 3.—Following the vigorous protests made to Premier Hest through the Walkerville and Ford Command, and the Border Cities (Windsor branch) of the G.W.V.A. arrangements have been made whereby soldiers whose names were not placed on the voters' lists when the appeals were heard, will have an opportunity of casting their ballots in the coming provincial election and referendum.

Essex county men, returning home from overseas in the interval between the closing of the appeal hearings and October 20, are expected to number several hundred. The veterans adopted the attitude that while foreigners in large numbers would be eligible to vote, many men who had fought for the empire would be disqualified through no fault of their own.

E. M. Dymond, chief election officer of the province, visited the Border Cities and made arrangements for soldiers to be included in the list provided their names are filed with the board of enumerators by themselves or friends prior to Saturday, October fourth.

CENTER HURON MAY HAVE FOUR IN FIELD

U. F. O. HAVE NAMED A CON- SERVATIVE

GODERICH, Ont., Oct. 3.—With one candidate already in the field and three political conventions called for next week in Center Huron, there is a possibility of a four-cornered fight for the local house and the situation is extremely interesting.

A short time ago the U. F. O. nominated R. W. Livingstone, Reeve of Hullett and an ex-warden of the county. Yesterday Mr. Livingstone intimated his intention to remain in the field. He is a Conservative and the nomination of a Conservative looks like a astute, practical politics on the part of the farmers to keep the rural vote solid for their candidate, as the platform of the U. F. O. is pretty much in accord with the Liberal party.

GOV'T SUSTAINED ON A PARTY VOTE

IN THE SOLDIERS VOTE SHUF- FLE IN 1917

OTTAWA, Oct. 3.—The government was sustained by straight party vote of 79 to 56 early this morning, when the Opposition leader, D. D. McKenzie's motion for an enquiry into the soldiers votes charges was defeated by that vote.

Mr. McKenzie produced an alleged telegram from Mr. Meighen, M.P., to Premier Borden, asking to have 1000 soldiers' votes transferred to certain ridings in Manitoba. Meighen pronounced the telegram a forgery. There was much excitement in the chamber before the session adjourned.

THE FATE OF ACCUSED MAN WAS NOT DECIDED BY JURY

Foreman of Jury Reports Inability to Agree After 11 1/2 Hours De- liberation. Petkoff Remanded and Another Trial at Some Future Setting Will Have To Be Held.

The probable fate of Ivan Petkoff in the Galt murder case, is still unknown and will remain so for many months. The jury who were to decide his fate have disagreed and have not been able to bring in a verdict.

After being out 11 hours and a half they reported to Justice Masten that they had not reached a decision and there was no hope of them coming to an agreement.

It was at 11:15 o'clock yesterday morning that the jury went out and during the whole afternoon and evening they deliberated on the evidence. The testimony of the various witnesses was gone over very carefully and repeatedly. The jury in the middle of the afternoon asked for the evidence of the witness who was now in the Western Hotel in Galt, who is now in England. Her evidence as given to the court with the consent of the Crown being the written evidence at the inquest in Galt. This type-written copy was submitted to the jury. About a half an hour later they reported as wishing to again hear the evidence of Lucko Walko, who claimed the watch found on Petkoff by the police was his, which he had left with Sorota-ky in Stratford. The court stenographer read the evidence before the jury who had come out for the meantime.

The court which heard the Preston manslaughter case in the afternoon, adjourned, at 6:45 o'clock in this morning. Justice Masten intimated to the court officials that he would be back at about 11 o'clock to see whether the jury would be ready to present their verdict.

During the long tedious hours of the evening when the court house, except for two or three constables, was forsaken the jurymen pondered and deliberated over the various points, conscious of the heavy duty that devolved upon their shoulders. Darkness came and the lights from the north-west corner of the second floor of the building impressively reminded hundreds of scores of passersby that the matter of life or death of the prisoner was still an undecided question. Ten-tatively o'clock came and one and then another official was seen finding his way to the courthouse, where the lights in the corridors were gleaming and where a little group of other officials were gathered anxiously awaiting the verdict. At 10:35 the officials and four spectators proceeded to the silent court room. In dramatic silence, in an atmosphere which was depressing physically, in the spacious room which

was separated from the darkness and grimes of the outside night air by dead brick and mortar, the stream of people awaited the outcome. Justice Masten appeared in his seat and when informed the jury was ready to report, he ordered the constables to call them in.

"Have you arrived at a verdict gentlemen?" Justice Masten asked.
"We have not. We are unable to agree," Foreman C. B. Shantz replied.

"Is there any possibility of coming to an agreement? Is there any further assistance we could give which would help you to come to an agreement?" the court replied.

"There is no possibility. We have tried every means of agreeing, but cannot. It seems there are certain things which are not known," the Foreman replied.

"That you cannot come to an agreement is unfortunate. The only thing I can do is to discharge you and to remand the prisoner. Gentlemen you are discharged."

The small audience then left the court room.

While none of the jurymen owing to their oath, cannot be talkative on the matter, it is believed the matter of disagreement hinged on the part of the respective prisoners in the crime and the incident that the only direct evidence was given by an accomplice.

Seen by the Record after the Court adjourned the Counsel for the defense, Mr. George Bray, was pleased with the situation.

Court This Morning.
The Preston manslaughter charge was not up this morning owing to the illness of the Crown Counsel, Mr. J. C. Makins, K.C. It was left over until 2 o'clock this afternoon.

These Cases Had Been Settled.
The charges of criminal negligence against Paul Freeman and Tony Charniboy, involving the running of a motor car into a taxi and injuring the occupants, were soon disposed of. It transpired that Freeman had been acquitted in Galt police court and that Charniboy had been found guilty and paid a fine in the same court. The jury after being instructed on this point found that this was the case. The cases therefore were not proceeded with, Crown Attorney J. S. Bowly consenting.

A civil case was then begun, this was Lemkie vs. Umbach. This involved the double sale of a property by the owner and his agent, a real estate man. It is a case of who is who, each having sold the property to different persons.

FOUR CANDIDATES IN S. WELLINGTON

Socialists Have Man in Field for Propaganda Purposes.

Guelph, Oct. 2.—There will be four candidates in the field in South Wellington, Conservative, Liberal and U.F.O. and Lorne Cunningham for the Socialists, but this is admittedly only propaganda work. Rev. C. H. Buckland will be the Conservative standard bearer, Mr. J. A. Cockburn the farmers' representative, and Mr. Sam Carter, M.P. is the only one mentioned for the Liberal convention on Saturday. He was elected as an Independent Liberal.

LORD NORTHCLIFFE FIRM IN HIS HAND.

London, Oct. 2.—The Daily Mail, whose linotypes wrote to Lord Northcliffe protesting "against the treatment meted out to the National Union of Railway Men in the columns of your press," published this reply from Lord Northcliffe to-day:
"I am entirely satisfied with the attitude of my journals toward this national calamity," says Lord Northcliffe, "and rather than to be dictated to by any body of men, I will stop the publication of these newspapers and have so informed the News-

KINGSTON VETERANS ARE DIS- APPOINTED

KINGSTON, Oct. 3.—The civic committee arranging for the visit here, on Oct. 25, has failed to make arrangements for the Prince to kick off the ball in the football game in the military league and as a result the Veterans are very much disappointed that their invitation should be turned down and will take up the matter with the authorities at Ottawa.
