like the way in which I have been enabled to apply my knowledge and to supplement it with a great variety of technical and administrative experience in developing my career.

"After a period of working on problems of the Mid-Canada line, I returned to Montreal to learn something of the details of administration and supply that help make field jobs successful. Since then I have worked on microwave relay systems ... given a course to craftsmen who now help maintain the Mid-Canada line ... and recently I spent three months 'on site' working on the tropospheric scatter system in Labrador.

"The college senior usually wants a job where he can gain a steadily growing amount of practical experience and put it to work along with his theoretical knowledge; earn a good salary; and advance to management level. He will find these things at the Bell!"

A four-game schedule for the Redshirts Soccer squad, begin- Bombers Last Home Game by John Reynolds

The final curtain falls on the New Brunswick Football League schedule as far as UNB Red Bombers are concerned when they play nost to the Moncton Royals at College Field tomorrow afternoon.

It has been a clear cut case of the Bombers having their own way throughout the schedule. They have racked up an impressive 143 points to the opposition's 32 points in the past three encounters. The only hope for a good game Saturday is the fact that Moncton who have so far gone winless, may have stirred up enough fight within themselves to at least provide some sort of competition for the Big Red.

Probably most interesting will be the anticipation of fans to see just how the scoring will run when the final gun sounds. Norm Bolitho, with four touchdowns in the NBFL to date, is 24 points or four touchdowns behind Mount A's leading scorer Bruce McFarlane who has 42 points, 18 of them coming in the Mounties 60-6 attack on Moncton last Saturday. The deficit doesn't seem too drastic considering Bolitho has had two such 18 point games this year, first against the Mount A squad and again last Saturday in the St. Dunstan's tilt.

Following is a summary of Red tough schedule however, it is Bombers individual scoring staexpected most second string- tistics in their previous NBFL ers will see action over the schedule: TD C FG S ST Pt.

Gunning For Title Bolitho This year the Soccer team have McLellan as their main aim, the Canon Gorham Clarke Trophy, awarded to the Hughes Maritime Intercollegiate winners. Boyd UNB held Mount A 3-3 in Sack- Rylander ville and if they can take advan- Ross tage of the home ground to beat Mills the Mounties next Saturday Cottrell they'll go on to meet the Nova Feeney Scotia winner. Dal beat UNB Ciotti 3-1 in '58, but the UNB squad Clarke Murphy came home. While Canon Clarke Saddler himself was coach here, UNB Nicholson took the pot for 8 years in a row Ferguson until 1954-and haven't won it since. Ian Newroth in his first versity of Maine the UNB squad

re-establish Canon Clarke's tradition.

UNB never treated Sumner Cup play very seriously until last year when they won it. Senior Soccer 11's in New Brunswick and Prince Edward Island had always proved too strong for the collegians.

The Central New Brunswick league got under way this fall, doing much to promote Soccer here with a five team loop.

By the end of this series the Redshirts' showing may indicate whether UNB will be on top of this revival in Maritime Soccer.

HARRIERS JOURNEY Maritime Intercollegiate Cross Country Championship. The meet with Bates College this weekend will serve only as a warm-up for the Harriers in their quest for the Maritime crown. To date the cross country team has only gained victory in one of its three meets. They were victorious at Minto on October 3 when they defeated the Minto Track and Field Club 24-33. In a return meet on the UNB campus the following week the Minto athletes turned back the Harriers by a score of 25-31. Last weekend in a meet held at the Uni-

year as coach hopes that he can gained a third spot against Tiscataquis Community High School and the U of Maine team.
