**For the Future of Canada-  
The Tories Must Go!**

*The future of young people is on the line. A Tory Canada has meant more attacks against living conditions of young people, against their right to education, meaningful employment and equal participation in Canadian society.*

**A Tory Canada means:**

- \* a surrender of Canadian jobs, medicare, working conditions, culture, water and energy to giant corporations through the Mulroney trade deal
- \* a \$5.5 billion cut to education spending
- \* a \$200 billion military beef-up, it means nuclear submarines, more reserves and a bigger killing machine -- high youth unemployment and low education opportunities will be the hook for a life in the Army
- \* more cuts to job creation and training programs for colleges -- these have been cut by 50 percent in the last year
- \* a continued crisis in housing
- \* more poverty, more unemployment -- youth make up half the unemployed and welfare recipients in Canada

**The Communist Alternative:**

- \* cancellation of the Mulroney trade deal
- \* expanding the home market and trade with all nations based on mutual benefit
- \* an environmentally sound industrial strategy
- \* making Canada a nuclear weapons free zone including NO nuclear subs
- \* international cooperation to protect the environment
- \* immediate and long-term funding for affordable housing-childcare-jobs
- \* guaranteed rights of youth to jobs at decent pay, to quality education, training, recreational and cultural development
- \* sovereignty and social justice means a program geared at meeting the needs of Canadian people and not a small corporate elite

**For Real Change Vote Communist**

*a message from the Young Communist League of Canada*

Who do you want to govern Canada?

That's a serious question. On November 21, Canadians will answer.

Brian Mulroney and the Progressive Conservative government understand that the world around us is changing, and that our challenge is to manage global change to Canada's benefit. Since 1984, the P.C. government has put Canada on a solid footing.

Who has more at stake than Canada's youth?

Before you vote, consider the facts.

**LEADERSHIP**

Since the P.C. Government was elected, the youth unemployment rate has fallen from 18.3% to 12.2%. This progress must continue.

**COURAGE**

The P.C. government has led the western world in taking a firm stand against the Apartheid regime in South Africa.

**VISION**

The P.C. government has produced Canada's first Environmental Protection Act, which carries harsh penalties for polluters.

These are some of the issues which concern young Canadians. In four years, Brian Mulroney and his government have made great progress. Support the P.C. government, and the progress will continue.

Who should we elect?

The P.C. Government.
