Rt Hon A. Meighen
Toronto

Dear Arthur -

R. R. Glenn of this city has persuaded me to again bring to your attention the fact that he is very desirous of becoming Secretary of the Hydro Electric Commission (Ontario) when Mr. Pope retires.

In response to his repeated requests this letter is written but I am not inclined to add anything further.

I called to see you on Thursday but found you were out of town. With kind regards

Yours sincerely
M. Steele
