February Twentieth,  
Nineteen Twenty Eight.

My Dear Mr. Meighan:-

I am requested by the members of the St. Alban's Cathedral Men's Association to extend a hearty invitation to you to be present at our meeting next Monday evening, February 27th.

Upon that occasion we are to be honored by the presence of Dr. Sam Atkinson, who will deliver his famous lecture on "The Point of Contact."

Dr. Atkinson is not only a great orator but he has a keen analytical mind and he is not afraid to say what he thinks. I had the privilege of hearing this lecture last week before the Beach Masons and I was highly delighted to hear his manly defence of your Hamilton speech. His admirable method of dealing with economic, political and religious questions assures us of a rich treat in store.

We appreciate the fact that you are a very busy man, but if you have the time we can assure you a warm welcome.

Very sincerely yours,

*W. E. Bennett*
