15th August 9

Sir,

In reply to your letter of the 8th inst., I have to inform you that, if it will be decidedly a gain to the funds of the Indians to have the Road work done during the summer season, you may employ a man to do the same.

I have, however, to express surprise that out of a Band so numerous as the Iroquois of Caughnawaga, you should be unable to find a competent man to do such ordinary work. If such a man can be found in the Band you must by all means employ him.

George E. Cherrier Esq
 Indian Agent
 Caughnawaga

Yours,
 G. E. C.
