Ottawa 28th September, 1903.

Sir,

I beg to inform you that the Department has been advised that a poor Indian named Thos. Abram, of Lennox Island, and his daughter Mrs Patrick Paul, were ordered by ~~the~~ the local authorities to kill their only cow, as it was supposed that the animal had lump-jaw. I shall be glad if you will at once look into the matter and report there-on fully, stating the circumstances of these people and whether you would recommend that another cow be bought for them, and if so what would be the cost.

Your obedient servant.

Secretary.
