## A WORD TO THE WISE

Rosetown Sask.,

Anytime.

Mr. and Mrs. Housekeeper,

Anyplace

Dear Folks: We have been selling you  
**Groceries, Dry Goods, Boots and  
Shoes, Millinery, Gents Furnishings  
and Chinaware**

ever since the town started and with your cooperation will  
continue indefinitely at the old stand.

We believe that we have secured the confidence of our  
customers as to the quality of our goods and the fairness of  
our prices. We assure you this confidence has not been  
misplaced. Our restricted credit business has never been  
a burden to us and as far as our capital will permit we are  
glad to open accounts with responsible parties. Trusting  
you will find us worthy of an ever increasing share of your  
patronage, we remain.

Yours faithfully,
