Toronto, April 3.—11 a. m.—East-  
erly to southerly winds, showery to-  
night. Tuesday, southeasterly winds,  
milder with occasional showers.

The following figures were regis-  
tered to-day at 7 a. m. at Turner's  
weather bureau:

**THERMOMETER.**  
Highest yesterday, 49.  
Lowest during night, 35.  
Thermometer, 38.  
Barometer, 29.34.  
Direction of wind, west.

## THE LOCAL BUDGET

The Raleigh Council is holding a  
meeting to-day.

J. E. Goodall, tailor, formerly of  
this city, has again taken up his  
residence and has opened a store on  
Sixth street, near the fire hall.

A peculiar fact is that 1906 began  
on Sunday and will end on Sunday.  
There are 53 Sundays.

This will not occur again in 110  
years.

M. Wilson, K. C., left for St. Thomas  
this afternoon. He will appear for  
Mr. Waddell in the suit of Watter-  
worth vs. Waddell. This is an ac-  
tion for damages for false arrest.

Mrs. W. G. Terry underwent an op-  
eration at the Public General Hospi-  
tal on Saturday. Her many friends  
will be pleased to hear that she is  
doing very nicely.

Regular meeting of Wellington  
Lodge, No. 46, A. F. & A. M., G. R. C.,  
this Monday evening in the new  
rooms, King St., at 7.30. Visiting  
brethren cordially invited.

Miss Reade, the popular infant  
class teacher at Christ Church Sun-  
day school, is investigating the kin-  
dergarten methods of the afternoon  
kindergarten at the Central School  
to-day.

The Division Court and the non-  
jury sittings of the County Court  
both were dated to open to-morrow.  
As Judge Dowlin couldn't preside at  
both he has appointed County Crown  
Attorney H. D. Smith to hold the  
Division Court.

Will Hatley, architect, has accept-  
ed the position of foreman in the  
woodworking department of the  
Blonde factory. This is the position  
formerly held by George Blonde. Mr.  
Blonde was forced to resign through  
ill-health. When able to return to  
work, Mr. Blonde will only attend  
to outdoor work. Inside work does  
not agree with him.

## COUNT THE NOSES

Of the people who wear glasses and  
spectacles and you will find a large  
percentage of the glass-wearing  
people in Chatham. That's proof  
positive of two or three things.  
ONE—That people who need eye  
sight aids know where to go.  
TWO—That they get eye relief at  
my store. THREE—That I don't  
charge them too much. You will  
join the chorus in praise of my  
work if you try your glasses at

## THEY PASSED TOGETHER

Gardener and Wife Asphyxiated  
at Niagara-on-the-Lake.

Concessus Murphy and His Life Partner  
Die Peacefully Together—Were Res-  
idents of Niagara-on-the-Lake All  
Their Lives—Bodies Were Not  
Found Until Several Days After  
Death—Badly Burned in Toronto.

Niagara-on-the-Lake, April 3.—Cor-  
nellius Murphy, a gardener, about 50  
years of age, and his wife, Margaret,  
who occupied a small cottage near the  
dock, were both found dead in their  
bed about noon yesterday.

The last seen of the couple alive was  
when Murphy went home on Wednes-  
day evening with a loaf of bread,  
which was found on a table in their  
room.

From the condition of the bodies  
death must have taken place several  
days ago, and was pronounced to be  
due to asphyxiation, caused by escap-  
ing coal gas.

The deceased had lived here all their  
lives and were well known in this  
vicinity.

**Little Boy Badly Burned.**  
Toronto, April 3.—Leo Cameron,  
four years of age, who lives  
with his grandmother at 65 Ni-  
gara street, was admitted to the Sick  
Children's Hospital at 12.30 yesterday,  
suffering from severe burns. It is not  
known how the accident occurred, but  
it is thought the little fellow was play-  
ing with matches and ignited his night-  
clothes. He was heard screaming and  
the flames were extinguished, but too  
late, it is feared, to avoid a fatal ter-  
mination.

### DROWNINGS THROUGH ICE.

While Following Dog Sled, Two Men  
Die Near Soo.

Sault Ste. Marie, April 3.—Word was  
brought in to town Saturday night of  
the believed drowning in Lake Superi-  
or of Frank Daigle and Jas. Bobbas.  
They are supposed to have gone  
through on Thursday night near the  
Point Aux Pins while en route from the  
Soo to their home at Gros Cap Point,  
where they lived as fishermen.

Thursday night some men at Point  
Aux Pins heard shouting, but were un-  
able to locate the source. Saturday  
morning they discovered a dog team  
and sleigh near a hole in the ice. Daigle  
is a half-breed, about 30 years of age,  
married and with a family. His  
brother George Daigle and Joseph Mac-  
Kay have gone to get the bodies.

**Indian Chief Killed.**  
Caledonia, April 3.—Mike Smoke, a  
chief of the Six Nation Indians, was  
instantly killed by a Grand Trunk pas-  
senger train running from Goderich to  
Burlington Saturday night, about 100  
yards from Caledonia Station. He fell  
between the cars.

**Found in Canal.**  
St. Catharines, April 3.—The body of  
C. H. Storms, of Merrittton, who has  
been missing for several months, was  
found Saturday afternoon at Lock 17  
in the canal. He was 55 years of age.

**LANDSLIDE WRECKS TRAIN.**  
Engine Plunges Forty Feet into Canal  
and Crew Drown.

Utica, N. Y., April 3.—Train No. 8, on  
the West Shore, was derailed at Div-  
ersford Hill, a three miles west of Fort  
Plain, shortly after 6 o'clock Saturday  
morning.

The locomotive broke its coupling  
with the tender and plunged into the  
canal, about 40 feet below the track.  
The engine and fireman were carried  
down with the engine, and lay under  
the machine in about five feet of water.  
The tender, a dead-end passenger  
coach and the baggage and express car  
were pulled from the track, but the  
engineer escaped, plying into the soft earth  
and held the other back, so they went  
but half way down the embankment.  
Two passenger coaches were not tipped  
from the rails.

In the opinion of railroad men, a  
landslide occurred just as the locomotive  
took the track at that point, for  
a watchman had been over the spot less  
than a half-hour before and saw nothing  
wrong.

**Buried in Snowslide.**  
Orray, Canada, April 3.—Three men  
have been buried by a snowslide, which  
carried away the building and bunk-  
houses of the Bankers' National Mine.  
It is supposed they have perished.

**Two Killed by Train.**  
Jamestown, N. Y., April 3.—While  
walking along the Erie Railroad tracks  
yesterday, Amel Lundquist and Owen  
Wright were struck by a switch en-  
gine at the Windsor street bridge and  
instantly killed. Both men left families.

**Five Mexicans Buried.**  
Tucson, Ariz., April 3.—At Silver  
Bell, 55 miles from Tucson, a car at  
shaft No. 2 of the Imperial Copper Co.  
resulted in death of five Mexican min-  
ers and the severe injury of four  
others.

**The Crisis at Winnipeg.**  
Winnipeg, Man., April 3.—It is ex-  
pected there will be fresh developments  
to-day, and it is quite possible the Pro-  
vincial Government's memorandum  
may be handed out to-night. En-  
quiries late Saturday afternoon elicit-  
ed the intelligence that the documents  
were not completed, and this encour-  
ages the belief that the matter is to be  
gone into thoroughly, and that the rea-  
sons governing the Cabinet's decision  
will be set out in considerable detail.

**Stabbed in Barroom.**  
Toronto, April 3.—Dan Sharp, who  
gave the police his address as 55 Cher-  
ry street, was arrested Saturday night  
on a charge of stabbing. The row took  
place in a barroom. The wounded  
man, Tom Quinn, received two severe  
gashes in the neck. Sharp has a wound-  
ed leg and was getting the worst of it  
in a fight when he drew the knife.

**Shoots Wife and Kills Self.**  
Howells, Neb., April 3.—After shoot-  
ing his wife as she sat in her pew in  
the church, cowering the other worship-  
ers by the brandishing of the smoking  
revolver in their faces, E. D. Nevak  
coolly marched up the main street of  
the town and finally shot himself in  
the kitchen of his home, dying instant-  
ly. The woman will recover.

### AT YOUNG'S COFFEE

Our Coffee trade continues to increase every  
day or so we are finding somebody that we  
have decided to come to us, and we can truth-  
fully say, the percentage is very small, that we can't  
don't buy our Coffee already roasted and put up  
in cases as some grocers do for the simple reason  
that after a Coffee is roasted it loses its flavor  
and a Java Coffee from the lowest grade of  
Marrache. When a grocer does not do his own  
roasting as we do he has to depend solely on the  
honesty of the man he buys his Coffee from.

### NEW ARMORIES

Strong Effort Being Made to Have  
the Shooting Gallery in the Base-  
ment—Success Expected

George Stephens, ex-M. P., at the  
request of Colonel J. B. Rankin, K.  
C., commander of the 24th Kent  
Regiment, telegraphed to the Minis-  
ter of Militia asking him to look up  
all correspondence, interview the  
Minister of Public Works and set-  
tle at once the matter of excavat-  
ing the basement of the new arm-  
ories for use as a shooting gal-  
lery and a bowling alley. No an-  
swer has yet been received to the  
message. The gallant Colonel of the  
gallant 24th is leaving no effort un-  
done that will place the new Chat-  
ham armories in the first place in  
the Dominion in the point of useful-  
ness and equipment.

### W. A. M. A.

The eighteenth annual meeting of  
the W. A. M. A., of the Diocese of  
Huron, will be held on Tuesday, Wed-  
nesday and Thursday next, in Bishop  
Cronyn Hall, London. Addresses will  
be given by the Lord Bishop of the  
Diocese; Canon Farnet, of Hamil-  
ton; Rev. J. Egerton Ryerson, of  
Japan, and Miss Archer, also of  
Japan. Canon Farnet and Mr.  
Ryerson are guests at Bishoptown.  
The following is a list of dele-  
gates, expected from Chatham and  
their relatives:—Mrs. McCosh, with  
Mrs. Waller, Huron College; Miss  
Sandys, with Mrs. Betts; Miss King-  
ston, with Mrs. (Dr.) Butler.

man, with Mrs. Payne, Wortley  
Road; Mrs. Stevens, with Mrs. Bul-  
len, Queen's avenue; Mrs. Kerr, with  
Mrs. Treleaven, York-street.

If we were half as wise as we think  
we are we should know at least twice  
as much as we do now.
