

CANADA'S PROSPERITY RESTS WITH YOU

**Continued Business Activity and Good Wages
Depend on Canada's New Victory Loan**

DURING the past four years Canada's prosperity has been due largely to orders from Great Britain and our Allies.

Canada was able to obtain these orders because she advanced credit to these countries.

Canada was able to give this credit only because you bought Victory Bonds.

Great Britain, with France, Belgium, and other Allies, are now prepared to place large orders with us for the products of our factories, farms, forests and fisheries—provided Canada again gives them credit.

Credit must be given if we are to have any guarantee of good times

and good wages. But our workers on these orders must be paid their wages in cash; so, much of the money that you invest in Victory Bonds will go out in wages to Canadians.

You will be absolutely protected—you will get a good rate of interest and all of your money will be paid back at the time stated in the Bond.

Every cent will be spent in Canada, and ultimately circulate to the benefit of all.

Canada can give this credit only if you again buy Victory Bonds.

If Canada is not able to give this credit, other countries will.

Therefore Canada's continued prosperity rests with you.
