Ayer's Hair Vigor stimulates the hair cells to healthy action, and promotes a vigorous growth. It contains all that can be supplied to make the natural hair beautiful and abundant, and keeps the scalp free from dandruff, prevents the hair from becoming lath and dry, and makes it flexible and glossy.
When the blood is loaded with impurities, and moves sluggishly in the veins, an alterative is needed, as this condition of the vital fluid cannot last long without serious results. There is nothing better than Ayer's Sarsaparilla to purify the blood, and impart energy to the system.
THANKSGIVING DAY.—It now seems the general rule to crowd into one day the thankfulness of a whole year. The exception to this rule is in the case of those who have used PUTNAM'S PAINLESS CORN EXTRACT, with the invariable results attending its use for a perfect cure. They feel thankful always. Try Putnam's Painless Corn Extract. Safe, sure and Painless. Sold by druggists everywhere. N. C. Putnam & Co., Kingston, Population.

SPRAINS.—Mr. Peter A. Tapp, Barabois, Wis., says: "About four years ago I got my wrist badly sprained, causing it to be badly swollen, and when I would try to lift any thing in that hand it would be quite powerless and painful. I used different popular medicines without benefit, until I tried Gann's Pain Ejector, which completely cured me in twenty-four days."

ERUPTIVE DISEASES, such as Pimples, Boils, Blisters, Ringworm, Salt Rheum, Tetter, &c., yield readily to a persistent use of Haugton's Quinine Wine and Iron, and Tonic Dinner Pills, which by purifying the blood remove these unsightly evidences of inward disorder. If the blood is pure, the skin is the value of these medicines as a blood purifier cannot be over estimated. Beware of imitations, see that you get "Haugton's," the original and genuine. AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so tedious by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. "In 1867 I took a severe cold, which affected my lungs. I had a terrible cough, and passed eight or ten times a day. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me." BOYD, FARMBROTHER, Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling. Can you wonder at our gratitude? Sincerely yours, Mrs. EMMA GERRY, 120 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried." A. J. CRANE, Lake Crystal, Minn., March 12, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL." JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles." E. BRAGDON, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
