BREAKFAST.**"By a thorough knowledge of the natural laws
which govern the operations of digestion and
nutrition, and by a careful application of the fine
properties of well-selected Cacao, Mr. Epps has
provided our breakfast tables with a delicately
flavored beverage which may save us many
heavy doctors' bills. It is by the judicious use
of such articles of diet that a constitution may
be gradually built up until strong enough to re-
sist every tendency to disease. Hundreds of sub-
tle maladies are floating around us ready to at-
tack wherever there is a weak point. We may
escape many a fatal shaft by keeping ourselves
well fortified with pure blood and a properly
nourished frame."—Civil Service Gazette.Made simply with boiling water or milk. Sold
