The Absence of a Will

The law gives you the privilege of governing by a will the distribution of your property after your death.

Lacking a will, the law requires your property to be divided in a fixed, definite way, according to the number and nearness of your surviving relatives.

The latter method may give results quite different from the ones you would have wished.

Have your will drawn by a lawyer. About executorship, ask for our booklets, or consult us.

Investing by Mail

There are advantages in purchasing your securities by mail. There is no salesman to hurry your decision. We carefully gather the facts about each security and give you our signed opinion as to its merits and desirability as an investment for your funds. With the facts before you, you can determine, at your leisure, the security you want.

Our large clientele of mail order investors, who continue to buy and sell Government Bonds and first-class securities through us, are kept thoroughly posted on investment conditions by "Green Shields' Monthly Review," with which is incorporated "Investment Suggestions."

We will be glad to send it to you on request.
