

WEDNESDAY, MAY 7, 1851.

**"THE BLOOD IN THE LIFE,"  
IN THE TREATMENT OF SCROFULES.****DR. HARRIS'S FOREST WINE.**

Dr. Harris's Wine is now sent all over the world, its fame having extended to the farthest countries, and every class of people knows it as the most efficient remedy for general Debility, Nervous Affections, Convulsive Diseases, & calculator of the Kidneys, Heart, Lungs, and nerves, & it has been used from time immemorial in the treatment of all diseases, and especially of those which are of a chronic nature.

Dr. D. J. STANLEY, a distinguished Physician, is a native of Princeton, New Jersey, and November 16, 1846, declared that all his experience he had never seen anything to compare with the Forest Wine, at the same time giving several cases of constitutional Debility, & other maladies, & cures which it effected in a very short time.

Among the members of the Medical Faculty of Princeton, Dr. D. J. Stanley pronounced the great results of the Forest Wine, and recommended it in numerous complaints, until he found the names of the celebrated Dr. M. T. Goodman, Dr. S. L. Mott, Dr. L. Chapman, Dr. Upton, Dr. William Brown, Dr. Martin, Dr. J. M. Morse, and others.

**TESTIMONY.—** Johnstone, a highly respectable Physician of Waterloo, New York, says:

"Dr. H. Harris's Forest Wine, &c., &c., is esteemed by the King of Medicines. It has done for us in the last few weeks what three Physicians failed to do in many years."

In 1845, I became a victim of the Heart Disease and Nervous Affecti-

ons, which have had growing on me ever since, until I presented my Forest Wine and Pills, for medical attention. During the last two years I was obliged to leave my home nearly all the time,

and was constantly in consequence of my ill health. I had nearly lost all hope of recovery, my complaint being of that class under which "nature sinks and life becomes a burden." Seeing your Forest Wine advertised, I concluded to give it a trial, and before long the third bottle told the different person, and was able to get rid of my disease, entirely cured, and my health again, entirely restored, and my nerves, &c., were again in full force.

Dr. H. Harris's Forest Wine and Pills were prepared.

The first dose of the Wine brought up from my glands, lungs, spleen, and glands, matter, and my stools, were perfectly black, & this commenced taking the Forest Wine, three times a day, my appetite began to return immediately, my cough left me, and in less than two weeks I was again in full vigor, better health than I ever did before, having increased weight, and my strength was again equal to that of a man of my age.

Dr. H. Harris's Forest Wine and Pills highly valued in this country, and I am very anxious to get them again, and to have my physician prescribe them.

Martin Caldwell, a Physician of New York, says:

The following Certificate, voluntarily given by Mr. E. G. Munro, a respectable and well-known citizen of Montreal, New York, is in evidence, which proves the great efficacy of the Forest Wine in GENERAL DEBILITY, NEU-

RALGIC AFFECTIONS OF THE SPINE AND KIDNEYS.

This is to certify, that I have used Dr. Haley's Forest Wine in my family, with the most entire success. My wife was badly afflicted with Neuralgic affection of the Spine and Kidneys, and general Debility. She found complete relief, and recovered her health, by the use of Dr. Haley's Forest Wine.

Mr. G. W. Hazzard—Dear Sirs.—My wife last autumn was reduced to a low state of Debility. My Family Physician advised her to take your Forest Wine. Accordingly, I went to Mr. Terry's, Your Agent in this town, and purchased a bottle, of which she used it in a very short time to perfect health.

HENRY DONALDSON, October 14, 1850.

The testimony of upwards of three hundred individuals, some of whom were affected with dreadful disorders, and considered incurable, may be seen at Dr. Haley's principal Office, The building are some of them residing in this city.

Mr. Asst. St. John's, 167, Front Street, Officer in War Office, has been greatly relieved by taking six bottles of your Wine, and is now in full health.

The remarkable efficacy of the Forest Wine is very striking in the case of Hon. S. J. Broome, of Virginia, who was cured in a few hours' time of a severe attack of Ulcers. Disorders and general prostration of bodily energy. On his arrival in New York, he was unable to stand upright, and was unable to walk or sit upright. He could not even move his limbs, but was supported by his friends, and was sent to Dr. H. Harris's Forest Wine. Accordingly, I went to Mr. Terry's, Your Agent in this town, and purchased a bottle, of which he used it in a very short time to perfect health.
