CAMBRIDGE

Miss Alberta Webster who is attending school at Middleton, visited her home, the 9th inst.

Miss Ethel Craig and Miss Rena Rachford visited friends at Harborville last week. They made the journey on their wheels.

Mrs. Robert Nichols was the guest of her sister, Mrs. C. W. F. Webster yesterday.

We noticed Mr. Henry Woodbury of Kingston and Mr. Nowlin of Middleton, in town recently.

Mrs. J. R. Webster of Kentville, visited her parents here yesterday.

A number of young folks enjoyed a pleasant afternoon recently at the charming home of Mrs. E. W. Knowlton, the occasion being the birthday of her daughter, Lena. Miss Frank Norwood of Berwick, was one of the guests.

The ordinance of Baptism was administered to three candidates in this place Sabbath afternoon the 9th inst., by our pastor, Rev. E. O. Reid. The preaching service was held in the hall (our church is undergoing repairs) which was filled to overflowing.

Miss Myrtle Caldwell entertained her Sabbath school class on Saturday afternoon, the 8th inst.

Miss Jackson of Bear River, was the guest of Mrs. James-Craig recently.

Mr. Alden Webster has gone to New Hampshire to spend the summer.

Mr. and Mrs. Silas Tupper of Truro, were the guests of Mrs. John Caldwell last Tuesday and Wednesday.

It is reported that Mr. Tupper has sold the Loomer land west of Mr. A. Neily's place.

Mr. and Mrs. Otis Nichols are moving into the house lately built by Mr. Fred Webster Jr. We have not yet ascertained whether Mr. Nichols has purchased or rented the place.

Craig Caldwell has had a fine new flag pole put on the ware house near the station and occasionally a large Union Jack floats in the breeze.

Mr. Cuthbert Harrison and family have moved back to Cambridge June 18, 1901.

GRAND PRE'

Calm after the storm, warmth after cold. There was a sharp frost Saturday night the 15th. Our farmers have only been able to plant their potatoes this week. It has been a backward season in some respects.

Many will be glad to know that owing largely to the excellent care of the trained nurses, Misses Kennedy and Johnson of Halifax, Mrs. Bishop is convalescent and Miss Mumford improving. They have both been very sick with Typhoid Fever.

Miss Emma Hosterman is able to go out after her illness.

Rev. W. H. Langille went to Conference in Lunenburg, Monday. He will be absent next Sunday. Mr. Cox, a divinity student at the Newton Baptist Seminary will preach in the morning and at Long Island in the afternoon. Mr. W. Royal Parker, a probationer for the ministry attending the University of Mount Allison College will fill the pulpit in the evening. Mr. Parker is this week canvassing for a useful book for farmers.

On the 21st, Halifax Natal day, Miss Louise Moore and a number of musical friends from Halifax will visit Miss Annie Patterson, Hortonville, and after spending the day in a drive will give an hours entertainment in the vestry of the Methodist Church, at the close of which ice cream and cake will be served. It goes without saying that the music will be first class as well as the ice cream. We hope many will come and we know they will enjoy both treats. Admission and ice cream 25 cents, paid at the door. Proceeds for church purposes. Doors open at 7.30.

Mrs. Newhall and Mrs. Willet, Clear View, returned on Saturday after a delightful trip to the Pan-American Ex. at Buffalo.

Miss Brittain, Montreal, is visiting her friend, Miss Emma Faulkner.

Miss Frances Crowe has decided to teach another year. Her school year at Grand Pre', has been satisfactory to all.

W. C. Hamilton has been loading potatoes all the week. The price is 25 cents per bushel. June 18, '01.

Church Street

In a trip through Church St., last week we noticed many improvements being made, which shows that the street is thoroughly alive.

Building operations are booming. Mr. Wm. Sutton has built a fine barn and Mr. Geo. Magee is preparing to build one. Messrs. E. P. & E. J. Armstrong are building a pretty summer house and Kidston Brothers are having constructed what will be one of the best, if not the best barn, in the county. It will be 50 x 100 feet and have all the modern improvements Mr. Henry Borden is improving.
