BIG IMMIGRATION AFTER THE WAR.

J. Murray Gibbon, head of the publicity bureau of the C. P. R. who has just returned to Montreal from a visit to England, thinks that with the end of the war an enormous immigration to Canada will commence, says a Montreal despatch of Wednesday.

"Everywhere I went I heard the same story. Young men in the British Isles, who have saved money, will come to Canada. Canada is the most popular of all the Colonies, a great deal more popular than it has ever been before, and the Dominion should prepare herself for the coming of young Britishers."

Minard's Liniment Co., Ltd.

Dear Sir,—I had a Bleeding Tumor on my face for a long time and tried a number of remedies without any good results. I was advised to try MINARD'S LINIMENT, and after using several bottles it made a complete cure, and it healed all up and disappeared altogether.

Notice to Subscribers in Arrears

Claims for unpaid accounts are pressing us and it is necessary to raise a large sum of money at once. To pay our accounts promptly and save legal expenses, we must collect all our outstanding subscription and printing accounts.

All subscription accounts over two years in arrears will be handed over immediately to a magistrate for collection at the rate of \$1.50 per year and his costs. As several bills have been sent out and no notice taken of them by many who are in arrears we cannot add further postage to those accounts. To save the magistrate's letter and added cost remittances due for over two years should be mailed us this week, or a letter or card forwarded to us stating that some further time is required and when account can be paid in full. We will listen to any reasonable request for time where a distinct time for payment is promised.

The cost of producing our paper has about doubled the past two years and we cannot longer allow subscribers to remain in arrears.

CANADIA FIGHTING AT THE SOMME FRONT

Ottawa, Sept. 10—It is reported her that the Canadians have again been in action, this time on the Somme front, to which a large number of the troops from the Dominion were moved some time ago. No details of the engagement are available, but the fighting appears to have taken place on Friday, when the British continued their advance, capturing a German trench and repulsing a number of counter-attacks. The action does not seem to have been a heavy or serious one so far as the Canadian divisions were concerned.
