

# THE FARMERS

## CHICAGO LIVE STOCK.

Chicago, Ill., August 20.—The cattle receipts were light and the market steady. Only a few western ranges arrived and not many good native steers were in evidence. The packers received several trainloads of light cattle from the western markets. Omaha being the principal contributor. Good to choice cattle were 20 to 30 cents higher for the week. Other natives were steady to strong and western were 10 cents lower. Butcher cattle gained 15 to 25 cents. Lambs were 15 to 10c lower. Sheep have lost a little. The fresh receipts of cattle were a "mope" handful, not enough to do damage to the market. Even had no demand existed. The butcher cattle had lost yesterday's snap, but the prices were about the same and clearance was effected, although the movement toward the scales was a little slower.

## TODAY'S GRAIN MARKETS.

Winnipeg, August 21.—The wheat markets were irregular today. Liverpool was dull and easy and closed 1/2 to 3/4 lower than yesterday. The American markets opened firm, owing to less favorable weather over north-west, and our Winnipeg market was particularly strong, through shorts covering. They advanced strongly for a time but later the United States markets eased off, and ultimately closed 1/2 to 1/4 under yesterday. Winnipeg at one time was 1 cent to 1 1/2 cent over yesterday, but also eased off towards the close, but instead of closing lower, like the U.S. markets, it closed 1/2 to 3/4 higher than yesterday. Today's prices are: No. 1 Northern, 1.04 1/2; No. 2 Northern, 1.07 1/2; No. 3 Northern, 1.04 1/2; No. 4, 97, spot or past Winnipeg. Futures—September, August 1.03 1/2; September 98 1/2; October 97 1/2; December 97 1/2; No. 1 Alberta Red for September delivery in store Fort William, 95; No. 2 Red, 92. Oats, barley and flax unchanged.

## FRIDAY'S GRAIN MARKETS.

Winnipeg, Man., August 21.—Liverpool cables were fractionally lower and all markets opened around yesterday's closing prices. On the part of the Canadian West tonight the Winnipeg market took a sharp upward swing, as high as 96 1/2 c, an advance of 1 1/2 over previous close. The Canadian market, followed to the extent of about 1 cent, but fell off closing about 1/2 to 3/4 cents under yesterday. Winnipeg closed 1/2 to 3/4 cents higher, October at 90 1/2 c. The local market appears simply a question of weather, and should there be any frost, prices would doubtless go much higher, while, on the other hand, should this be escaped some export demand would require to spring up to maintain the present levels. Contract grades of cash wheat continue in good demand, being wanted for Eastern Canada.
