

PERSISTENT COUGH.

Wherever soothing syrups fail to cure that persistent cough which exhausts you, MATHEIU'S SYRUP of Tar and Cod Liver Oil and other medicinal extracts will rapidly and definitely rid you from it.

The merits of Mathieu's Syrup are highly recognized and endorsed. Here are a few proofs:—

PORT GREVILLE, C.B., Dec. 31, '09. Blacking & Mercantile Co., Ltd. Dear Sirs,—Please ship by next express if possible, 3 doz. Mathieu's Syrup. It is the best cough mixture on the market. Yours truly, W. STERLING.

CHURCH POINT, July 31, '08. Blacking & Mercantile Co., Ltd., Amherst, N.S. Dear Sirs,—Nearly one year ago I had my first order of Mathieu's Syrup from you. It was not known in this country, and I gave samples to several families whom I knew would use it. After a few weeks I began to have a call for it, and trade has increased wonderfully since. I have not the least doubt but that it will soon be the best selling remedy for coughs, colds, etc., on the market. In my store here sales are good and our people ask for it. Several stores in this county now keep it in stock and report sales increasing. I have bought from you since August 16th, 1907, 4 Gross and have only three dozen on hand at this date, and which I am holding for retail trade in my store. Yours truly, LOUIS A. McLANSON.

AGAINST HEADACHE there is no remedy so active as Mathieu's Nerve Powders which contain no opium, morphine or choral. 25 cents per box of 18 powders. J. I. MATHEIU Co., Sherbrooke, Can. 1708, McMurdo & Co., Wholesale Chemists and Druggists, St. John's, Nfld.

The Evening Chit-Chat

By RUTH CAMERON

"Isn't it a queer quirk of human nature that no matter how much better someone else could manage our own affairs than we, we all want to manage them ourselves? There is no doubt whatever but that there are many capable, worthy people born with a talent for managing, who could manage some of their shiftless friend's affairs far better than they themselves. Frequently these capable folks are generously willing to do this. And yet the shiftless folks are almost never willing to give over to others the managing that they do so ill themselves.

Isn't it queer?—I am thinking of the sad case of a woman who is a very capable housewife and a very skillful manager in every way. Besides keeping her home in model order, this woman finds time to run her husband's business and to decide every tiniest detail of her children's lives—what they shall eat and wear and drink, where they shall go, what they shall do every hour of the day and as far as possible what they shall say and think.

Isn't it a queer quirk of human nature that no matter how much better someone else could manage our own affairs than we, we all want to manage them ourselves? But a quirk that is quite as universal as it is queer.

And the sooner the large class of capable, kindly, managerial, well-meaning, exasperating people—of whom this woman was a type—realize this, the happier they and everyone else will be.

Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ.

Stomach, Liver, Lungs. Each of the chief organs of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ.

Weak, Tired & Nervous Men. Would send for a valuable Pamphlet, explaining how all Nervous and Organic Derangements, Vices, and its subsequent genito-urinary troubles, can be successfully treated, without the use of Remedies or Electricity.

European Capital. Furnished for attractive enterprises all substantial lines of business: Railroads, Traction, Water & Electric Powers, Irrigations, Timber, Mining, Agricultural & Industrial.

ANYONE, anywhere start a mail order business at home. No experience. No rent. No tax. Send for booklet. Full time or part time. 1000 J. J. Mullaly, N.Y.

Sidewalk Sketches.

By H. L. RANN.

The thimble is a two-ply sport whose chief end and aim in life is to blow out a confiding circle of kindred spirits with a pair of red and black nines. While in pursuit of this laudable ambition, the face of the thimble is as impassive as a brown study.

country was very happy before the white man came for rubber. Now it is very unhappy. I asked the interpreter what the title by which Omorino called me meant. "God," he said. "It is the word the Incas used for the Deity. The Indians are very simple, and they regard white men as supernatural beings to be obeyed implicitly."
