

The New Michelin Tyre!

This Tyre is as far in advance of last years as the leather thread was in advance of the old all rubber cover.

LAST YEAR

We offered you a cover with steel protection on 30 per cent. of the road surface or four rows of studs.

Did you ever have a flint cut the side of your cover outside these studs?

THIS YEAR

We offer you a cover with full steel protection on 100 per cent. of the road surface or 8 to 12 rows of steel studs.

No other manufacturer can offer this.

We want to sell the best tyre made for Newfoundland roads and we are now sure we have it. We know that 70 per cent. of the plain rubber tyres used in Newfoundland are cut up long before they are worn out. We therefore contend that the first thing we want to protect against is cutting, then CUTTING, and after that CUTTING.

BIBENDUM.

WE OFFER YOU

The only tyre manufactured specially for Newfoundland roads.

A protected tyre at the same price as our competitors want to sell you a Plain Rubber Cover.

We guarantee you satisfaction.

We keep a full stock.

PLAIN RUBBER COVERS.

We would much rather sell you a plain rubber instead of a protected cover, because we would sell you twice as many at least and on each would make more.

If you do insist on buying a plain, we have in Michelin Square Treads absolutely the best.

We don't gouge out pieces to save rubber and call it a Non-Skid. We give you all the tread and a cover 1-13 of an inch thicker on the tread than any other cover manufactured.

SPRING

Satisfied, But Not Content!

We don't worry about getting ahead of any competitor. Our chief aim is to get ahead of ourselves—to do better this year—in Style, Fit and Finish than we did last year; to tailor better clothes than we have ever done before.

We know the fate of the self-satisfied man, and with this knowledge we are not content to run a dead heat with our previous best.

OUR COMPLETE STOCK OF NEW SPRING GOODS will be ready for inspection Saturday, 15th inst.

Order early to avoid rush. Patterns and self-measuring cards sent to any address.

TEA. We were going to say something about our TEAS, but as a whole page of this paper wouldn't afford us half space enough to say the good things in its favour, we just request you to buy a sample lot. Try 1/2 lb. of our 40c.

J. J. ST. JOHN.

This cut represents the Norwegian Jigger, which is one of the greatest fish killers in the world, and used exclusively in Norway. Can be had from all the Hardware Store in St. John's. Remember it is important to use two swivels in order to make the Jigger spin.

LADIES--ATTENTION!
