

BOB GREEN WILL HAVE TO SHOW THE VANCOUVER WORLD

Preparations are Now All Ready for the Elections in British Columbia Which Take Place on Saturday.

Vancouver, Jan. 28.—A mistake occurred in Saturday night's telegram which said that Neil McKay succeeded Robert Green as minister of lands and works. McKay became deputy minister of lands, succeeding W. S. Gore.

Ex-Minister Green spoke at Kaslo tonight and repeated his denial that he received the shares.

The World refuses to retract, especially after Green acknowledges being offered shares by Caron, although he suggested they be turned over to McKay. The World defies Green to do his worst.

McKay says: "Green's statement as to how Caron was asked to issue stock in transcontinental exploration syndicate is absolutely correct. At the same time I was not then, nor was I until months afterwards, connected with the lands and works department. I emphatically deny that this stock was held in trust for Green or that he was to be in any way interested therein. I may add, that whether issued or not, no such stock has ever been received by me."

Nelson, Jan. 28.—Mr. Macdonald, leader of the opposition, while here stated that there was every indication that the Liberals would win in Vancouver and Kamloops. In Van-

couver the Conservatives admitted that there were divisions in the ranks and that they are not well organized.

Such seats as Comox and Esquimalt are freely conceded to the Liberals, making a gain of two where the Liberals already hold seven out of 12, the McBride government only having three, the other two being held by Socialists.

In the city of New Westminster, Howay is making a winning fight. Good old John Oliver has an easy thing of it in Delta and is now stumping in the Okanagan, Yale and Lillooet districts.

Charlie Munroe is perfectly safe in Chilliwack and Weart will win in

Richmond, where Carter-Cotton is being driven from pillar to post by the vigor and effectiveness of Mr. Weart's canvass and platform addresses.

Macdonald was unable to speak in Yale, Lillooet and Cariboo districts, but his reports from these ridings are entirely satisfactory. Ex-Attorney General Wilson is having a bad time of it in Cariboo.

It was in Kamloops that Mr. Macdonald encountered the most emphatic evidence of Liberal determination to sweep the McBride government from office. Attorney General Fulton is a beaten man now.
