

St. Vitus' Cured.

The Story of a Bright Young Girl's Recovery.

SHE WAS FIRST ATTACKED WITH LA GRIPPE THE AFTER EFFECTS RESULTING IN ST. VITUS' DANCE—FRIENDS DESPAIRED OF HER RECOVERY.

From the Acadia, Wolfville, N. S.

The mails from Wolfville to Gasperau are carried every day by an official who is noted for his willingness to accommodate and the punctuality with which he discharges his duties. His name is Mr. Horner Cleveland and his home is in Gasperau, where he resides with his wife and grand daughter, Miss Lizzie May Cleveland, a bright girl of fifteen years. A few months ago the health of their grand daughter was a source of very great anxiety to Mr. and Mrs. Cleveland, and the neighbors who learned of the physical condition of the little girl gravely shook their heads and said to themselves that the fears of the fond grandparents were by no means groundless. When the news reached the ears of an Acadian man, a short time ago, that the health of Miss Cleveland had been restored, he hastened to interview Mr. Cleveland as to the facts of the case. When he explained his errand both Mr. and Mrs. Cleveland appeared only too eager to give him the information sought, and it is in accordance with their wishes that we give to the public the facts of this remarkable cure. Early in December, 1898, Miss Cleveland was taken ill with a severe attack of la grippe and fears of her recovery were entertained. Careful nursing, however, brought her through this malady, but it left her system in a completely run-down condition. This showed itself principally in a weakness of the nerves. In January symptoms of St. Vitus' dance began to show themselves. At first these were not very prominent, but it was not long before she was rendered altogether helpless by this terrible malady. In a short time she lost all control over the movements of her hands and feet. For weeks she had to be carried from room to room and was unable to feed herself. Her grand parents naturally became very much alarmed and having tried other remedies without effect, determined to give Dr. Williams' Pink Pills a trial. Developments showed that their confidence was not misplaced. When three boxes had been used the condition of the patient had improved considerably. Then Mr. Cleveland bought six boxes more and continued their use as before. The sufferer rapidly began to recover. When she had consumed the fifth box, Miss Cleveland reduced the dose to one pill a day and by the time the sixth box was gone a complete cure was effected. Miss Cleveland is now as vigorous and healthy as could be desired. Her grand-parents are now persuaded that Dr. Williams' Pink Pills are alone responsible for her cure and are devoutly thankful for the results which, under Providence, they have produced.

Sold by all dealers or sent post paid at 50c a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Do not be persuaded to try something else said to be "just as good."

Mr. Smiley—I never was one that wanted to get something for nothing. Mr. Smiley—Well, that is about what happened when you married me!

It Dazzles the World.

No discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its severest tests have been on hopeless victims of consumption, pneumonia, hemorrhage, pleurisy and bronchitis, thousands of whom it has restored to perfect health. For coughs, colds, asthma, croup, hay fever, hoarseness and whooping cough it is the quickest, surest cure in the world. It is sold by J. E. Richards, who guarantees satisfaction or refund money. Large bottles 50c and \$1.00. Trial bottles free.

Dr. Good—Ah! there is nothing which does so much misery as liquor! The trap—Beggins' your pardon, ma'am, I think first causes more misery than anything else.

An Old Theory Exploded.

Told-fashioned theory of tearing down diseased was entirely changed by the advent of Dr. W. Chase's Nerve Food, which cures creating new rich blood and nerve tissue through the medium of the circulation and the nervous system they strengthen and invigorate every organ in the human body.

A MAFEKING MESSAGE

Town All Right on the 14th March But Suffering Keenly.

OFFICERS RUN INTO A TRAP.

They Attempted to Capture a Small Party of Boers, But the Latter Killed Lt. the Hon. Lygon and Wounded and Captured Three of His Companions—Transvaal Invaded.

London, March 26.—The War Office has received the following despatch from Lord Roberts:

"A telegram from Nicholson, at Bulawayo, states that Baden-Powell reports: 'All well to March 13. During past few days enemy's cordon much relaxed.'"

The Nicholson referred to in Lord Roberts' despatch is Major John Nicholson, commandant-general of the British South African Police, stationed in Rhodesia.

Mafeeking is still closed.

London, March 26.—The Daily Mail publishes the following from Mafeeking, dated Wednesday, March 14:

"We are still being heavily shelled. There have been several casualties. Skirmishing continues in the trenches. The active food question is becoming difficult. The Boers have broken the arrangement to respect the Sabbath by not firing, and have seized the opportunity to extend their trenches."

Natives of Mafeeking.

Lady Sarah Wilson, in a despatch from Mafeeking, dated Wednesday, March 14, says:

"We have received news of the relief of Ladysmith, but it serves to increase our disappointment, as there is no prospect of our relief. The town remains closely invested. The Boers are reported to be very numerous and strongly entrenched between us and Col. Plumer's force. Some of the natives are dying of starvation owing to their prejudice against themselves."

Boers Killed Lt. the Hon. E. Lygon and Wounded Three Others.

London, March 26.—The War Office has posted the following despatch from Lord Roberts:

"Bloomfontein, March 24.—Yesterday Lieut.-Col. Crabbe, Capt. Trotter and Lieut. the Hon. E. Lygon of the Grenadier Guards, and Lieut.-Col. Godding of the Coldstream Guards, rode eight or nine miles beyond their camp on the Modder River, without an escort except one trooper. They were fired upon by a party of Boers, and Lieut. Lygon was killed, and Lieut.-Col. Crabbe, Lieut. Godding and Capt. Trotter were seriously wounded. The trooper also was wounded. One of the wounded officers held up a white handkerchief, and the Boers came to their assistance and did all they possibly could, attending to their wounds. The Boers then conveyed the wounded to the nearest farm house, where they were taken care of."

Shot by Johannesburg Police.

Bloomfontein, Saturday, March 24.—The Boers who yesterday killed Lieut. Lygon of the Grenadier Guards, and wounded Lieut.-Col. Crabbe, Lieut.-Col. Godding and Capt. Trotter of the Coldstream Guards, who had ridden eight or nine miles beyond their camp on the Modder River without escort, except one trooper, were members of the Johannesburg Police.

After dressing the wounded, they sent them to the British camp in an ambulance.

CLEMENTS AT PHILLOPOLIS.

Read Roberts' Proclamation and Burghers Began Turning in Arms.

Philopolis, Friday, March 23, via Norval's Post, Saturday March 24.—Gen. Clements entered Philopolis at noon to-day. He assembled the burghers, addressed them, and read Lord Roberts' proclamation in Dutch and English. The future of the Free State, he declared, would have to be decided by His Majesty's advisers, but the burghers might be certain that the late Government at Bloemfontein would never be restored. He advised that all the inhabitants accept the inevitable, and obey the orders of the military and other authorities duly appointed, intimating that the Landrost and sheriffs had been reappointed under the Queen. The burghers began taking the oath of allegiance and surrendered their arms.

Gen. Woodgate Dead.

London, March 26.—Advices received here announce the death in the Moor Hospital on Friday of General Sir Edward Woodgate, who was wounded in the engagement at Spion Kop on Jan. 21. The late General Woodgate was born Nov. 1, 1845, at Belbroughton, Worcestershire.

General Sir Forester-Walker and Prince Alexander of Teck have left Cape Town for Bloemfontein. It is reported from Ladysmith that Van Rensburg's Pass bristles with guns.

A despatch to The Daily Telegraph from Kimberley, dated Sunday, March 25, says: "Prisoners brought in here report that a force of British cavalry has entered the Transvaal and penetrated to a point 18 miles north of Christiansburg. The British forces at Fourteen Streams are being strengthened. A movement northward is expected soon."

FRENCH'S FORCE IS RESTING.

At Thabanehu and Distributing Lord Roberts' Proclamation.

To Cure a Cold in one Day

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25 cents. E. W. Grove's signature on each box.

Bloomfontein, Friday, March 23.—Advices from Thabanehu, between Bloemfontein and Ladybrand on the Orange Free State border, dated March 21, say Gen. French's force is resting there and distributing Lord Roberts' proclamation. Brand, a son of the former President of the Orange Free State, Sir John Henry Brand, continues his duties as Landrost. He appears quite willing to co-operate with the new regime. The people generally outwardly express satisfaction with the advent of the British.

Barkly West, Saturday, March 24.—Gri town was re-occupied Thursday by 400 Boers. A column left Kimberley yesterday (Friday) to drive them out. It is reported that all the loyalists there, including two men, have been imprisoned.

The Redistribution Bill.

Ottawa, March 23.—Contrary to expectation the Senators debated the redistribution bill long and late yesterday and the vote was not reached. All the old arguments were advanced by speakers on both sides.

It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

SCOTT'S EMULSION OF PURE COD LIVER OIL WITH HYPOPHOSPHITES OF LIME & SODA

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health.

You can get it in this way.

We have known persons to gain a pound a day while taking it.

See and feel all druggists, SCOTT & BOWNE, Chemists, Toronto.

DR. A. W. CHASE'S CATARRH CURE... 25c.

is sent direct to the diseased parts by the Improved Blower. It cures catarrh, clears the air passages, stops droppings in the throat and permanently cures Catarrh and Hay Fever. Blower free. All dealers, or Dr. A. W. Chase Medicine Co., Toronto and Buffalo.
