MONTREAL. MONTREAL, Sept. 1.—There were about 47 milch cows and springers offered on this market yesterday, and the demand was better than for some time past, but the prices continue

low. The following sales were made up to 11 o'clock: Five good cows at a little over \$40 each, two for \$79, a miker and a stripper for \$75 for the pair, three cows for \$100, four cows at \$32 each, and two more for \$65. There were five cows sold at the yards yesterday at about

TORONTO.

TORONTO. Sept. 1.—There was a firmer tone to trade at the western cattle yards yesterday, owing principally to the higher offerings. There was a good attendance of buyers, There were 50 carloads in all placed on the market, which included 725 hogs and 425 sheep and lambs. About 6 carloads of butchers cattle were taken for Montreal. In the export cattle trade most of the stuff was cleared out, and

were taken for Montreal. In the export cattle trade most of the stuff was cleared out, and generally the price paid was 4c, choice bringing 4c and 4c per lb. There is an active demand for good export cattle, but poor quality is not wanted. In butchers' cattle quite a number of sales were made in the vicinity of 3c really from really good stock and some of the

number of sales were made in the vicinity of 3c per lb for pretty good stock, and some of the choicest were taken by local deelers at \$3 50 per cwt. For one lot of exceptionally fine cattle \$3 70 per cwt was paid. In export sheep a good trade was done, and were from \$3 20 to \$3 35 per cwt, and about \$5 per head. Butchers' sheep and lambs were about the same as last market. The hog trade was good for chick become hogs, prices weighed off cars.

Local Market. Reported by A. M. Hamilton & Son.

London, Saturday, Sept. 1. Grain receipts were good as far as they went today, wheat and oats being the only kinds represented, with the exception of one load of very poor peas. There was no actual change in values, though the feeling in both wheat and oats was easier; the demand was good. Eggs showed more strength, baskets bringing 9c to 10c steadily, and the bulk of sales were made 10c steadily, and the bulk of sales were made at 10c. No change was made in the price of butter. Meats were quiet and unchanged. Apples, as usual, were offered in greater quantities than the demand could consume, and sales were again hard to make. Grapes were plentiful, at 35c to 50c per basket. Peaches, both home grown and imported, were plentiful, and sold all the way from 35c to 50c plums guiet and steady, at 50c to 90c per to 50c. Plums quiet and steady, at 50c to 90c per basket. Tomatoes easier, at 40c to 50c per busket. Potatoes lower, at 75c to 80c. Hay sold off quick at \$8 to \$9 per ton. General values for the day were as follows: GRAIN.

AQUATIC. A DEAD CALM AGAIN. DARTMOUTH, Sept. 1 .- The Vigilant and the Satanita started in a race this morning for the Bay Club prize, valued at £40. The Vigilant crossed the starting line at 10:30:10. The Satanita crossed at 10:30:21. Both had their jack yarders and jib topsails set and had a free reach to port for Torcross which they rounded in this order: Vigilant 11:09:45, Satanita 11:11:50. The Satanita being closer in shore she got a better wind than the Vigilant passed the American boat on the run home for the first round.

After rounding the commodore's boat the Vigilant forged ahead and was 2 minutes in the lead when both ran into a dead calm. The Satanita gave up the race and was taken in tow for home. THE TURF. GOOD RACES AT PORT HURON.

AND RHEUMATISM

WHEN "D.&L". MENTHOL PLASTER " LEGO The Custom of Handshaking. The handshake is a relic of homage, the lifted hat is a memory of the lifted helmet and a sign of peace. There are curious reasons for some of the customs of greetings and good-byes, which in times past have been a matter of importance, though they may seem trifling now as friends meet each other in the street or drawing-room. It seems a pity that the inconspicuous, friendly handshake should degenerate into Let Radway's Ready Relief be used anything so ungrateful, so peculiar as the on the first indication of Pain of Uneast-ness; it threatened with Disease or present fashionable maneuver, which gives Sickness, the Cure will be made before the lamily doctor would ordinarily rise to many awkward situations. Representatives of English houses are again out in full force, looking for business and making arrangements for the coming season's export trade, which, according to recent advices, will be ahead of that of last year as far as quantity is concerned. The first shipments of fall fruit as reported by us last week have arrived on the other side, and Liverpeol sales cabled to New York net the shippers there \$1.75 per bbl, but of course the lots were small. Experimental shipments are being made in \$1.75 per bbl, but of course the lots were small. Experimental shipments are being made in boxes with pasteboard departments like egg cases; but this was tried about ten or twelve years ago, and proved a complete failure. Freight engagements of a few barrel lots are reported at 2s to Liverpool and 3s to Glasgow and London. Several sales of good to choice Duchess are reported at \$1.50 to \$1.75, Sweets are quoted at \$1.25 to \$1.50, and Astrachans \$1 to \$1.50 per bbl. Regarding the winter fruit no 3150 per bbl. Regarding the winter fruit, no contracts are as yet reported, although it is said \$125 per bbl on the tree has been offered for a number of orchards in the West; but we have heard of no business.—[Montreal Trade
