> The gross earnings of 38 American railroads for the month of August show an increase of nearly \$5,000,000 over the figures for August, 1896. The Financial Chronicle estimates that on this basis the earnings of all the roads in the United States would show an increase of from \$10,000,000 to \$12,000,000.

> Beginning Nov. 1 nineteen railroads will adopt a system of interchangeable mileage. These roads operate over 50,000 miles of track in the territory, all of which practically lies between Chicago and the Missouri River. Sebastian ticket is to be used side by side with the present mileage ticket of the individual roads.

Mr. R. McC. Smith, G. T. R. agent in Cincinnati, Ohio, was in Toronto Saturday. He has just returned from Muskoka, where he has been acquainting himself with the country and gathering information with a view to next season's tourist travel. He said that this year they had sent a thousand Mrs. Hutchinson had come in on the more people to Muskoka than ever benext season. What Muskoka most needs, he said, was some good hotels.
