

Announcement

To commemorate the completion of ten years of successful business in London, I have decided to give 10 per cent of the gross receipts of the two stores, for 3 days, to the new Consumptive Sanatorium. Those who buy from us on these 3 days, Wednesday, Thursday and Friday, 11th, 12th and 13th, will have the satisfaction of knowing that they have exceptional value for the money, and 10c of each dollar spent goes to help a very worthy cause. We have from the first had "Reliable Footwear" for our motto, and today we are in a better position than ever to supply you with the same.

DUKE OF CONNAUGHT TO SUCCEED GREY

Unofficial London Dispatch Says It Was Desire of the Late King.

London, May 10.—It was stated semi-officially last night that the Duke of Connaught, brother of King Edward VII, will succeed Earl Grey as governor-general of Canada. It is said that the late King desired that his brother should accept the office, and the duke had agreed to this. The untangling of the affairs of state had kept the Government too busy to arrange the details, and the announcement of his appointment was postponed. The duke is most democratic and popular with all classes.

WALTER ROSS CASE

T. W. McGarry is Doing His Best to Save Man From Gallows. North Bay, Ont., May 10.—T. W. McGarry, counsel for Walter Ross, condemned to die on May 20, for murder of his child, Percy Parkinson, has been in communication with the Minister of Justice for some time, endeavoring to get a commission of inquiry as to prisoner's sanity appointed. Mrs. Bruce Smith, James Robinson and McEwen, of Toronto, examined Mr. Ross, declaring him a moral degenerate. The Minister of Justice would not grant a commission of inquiry, considering there is no ground for supposing Ross insane. The prisoner continued making further efforts to have the decision of the Minister of Justice reconsidered by Hon. Charles Murphy, the acting minister.
