Regulate your system and live on extremely plain food for a time. For outside to treatment, wash the face every night in quite warm water; with a soft towel remove several of the black-heads each night, trying not to break the skin; rub the spots with this lottion: Precipitate sulphur, I part; al-cohol, I part; rosewater, 5 parts; distilled water, 5 parts; d Ottumwa. Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains all over my body, sick headache, spin al weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has one more for me than all the doctors.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.

After two or three nights' treatment you should be able to remove the "kernel" with a sharp knife. Castor oil applied frequently will soften a wart and it can then be removed. 2. Repeated soaking in fresh butterniik, or sour milk, will remove even a stubborn ink spot. For the orange stain, moisten the spot with chloride water and place in the sun; then waish in clean water.

What Would You Do?

Dear Miss Grey: I have been going with a young man for at least three months, and one night, as we were out walking I refused to let him hold my arm. He has not spoken but once since. He seems very much to be friends I never wish to go with
