

WHARNCLIFFE ROAD BRIDGE WILL COST CITY ABOUT \$40,000

Amount About Double Original
Estimate Will Be
Required.
Concrete Work Not Provided
For—Tenders Are Not
All In.

It now appears that the Wharncliffe road bridge will cost nearer to \$40,000 than \$25,000, for which amount tenders have been authorized by act of Legislature and for which the electors voted \$20,000. Tenders were opened at the meeting of the board of works Thursday night, but were laid over, pending the receipt of additional tenders for the cement work, only one being received Thursday night. From the tenders received it would not seem that the bridge with necessary filling, piling and flooring, can be constructed for less than \$35,000.

Will Build Sewers.
On the motion of Ald. Saunders, the board recommended that the recommendation of the board of health for the construction of sewers on Adelaide street, from Simcoe street to the Grand Trunk tracks, and on Chesapeake, from Richmond to Wellington street, be complied with. The Trades and Labor Council recommended that Harry Rymill be appointed inspector of public works this year. Mr. Rymill has not applied for the position as yet this year. Assistant City Engineer Brazier stated, but the board of works will promise his application consideration if he makes one. Contract for court-house repairs amounting to \$41,658 were presented and recommended to the council.

After Street Railway Company.
Messrs. Taylor and Morris of Potteryburg, were a deputation to complain that the London Street Railway Company had, without permission, tapped a private drain on Dundas street east, and allowing branches of trees to be carried into it, blocking it up. On the motion of Ald. Saunders, the city engineer will investigate the conditions and the Street Railway Company will be notified to carry away the water from their track. When the drain was being constructed, Mr. Taylor said, the Street Railway Company refused to contribute one cent towards it.

The city engineer's department will also report on the remaining of streets in the newly-annexed districts where there is a duplication of names.
The question of having the ward foreman inspect the garbage collection was discussed. Assistant Engineer Brazier expressed the opinion that they would be unable to do so.

Hamilton Road Sewer.
Sewers will be laid on Hamilton road, from Drexley avenue to Nelson street, and on Wellington street, from Victoria to Huron streets.

The bylaw forbidding the slaughter of animals in the city will be amended to allow the incorporation of the territory on which the Dominion abattoir plant stands.

A pavement on Bellevue avenue was recommended to be laid on a two-thirds vote of the council.

A recommendation was sent to No. 1 committee to have the boiler at the new incinerator insured.

Laborers Get Increase.
An increase of three cents an hour all round was recommended for the corporation laborers. The minimum, formerly 17 cents an hour, will be 20 cents an hour, and the scale formerly 17, 20 and 22 cents will now be 20, 23 and 25 cents an hour.

The city engineer will report on the drain which zigzag across Huron street, east of William, and from which E. S. Winnett claims the water is backing up on his land.

The Western Fair board asked for a grant of \$5,000, and their request was favorably received. Chairman Bennett suggested that galvanized roofs should be put on the Queen's Park buildings instead of patching up the shingle roofs.

For City Hall Committee.
An account for repairing a leaky roof at 309 Dundas street, now city property, done on the authorization of Mayor Graham, the assistant engineer stated, was not passed. It was not authorized by the board of works, Chairman Bennett pointed out.

**Bronchitis Cured
By Medicated Air**
No Drugs to Take—You Simply
Breathe a Healing Balsamic
Vapor.

Every Breath Carries Healing Balsams to the Sick, Sore Places in the Nose and Throat.

Montreal this time gives splendid praise for the modern way of curing colds, catarrh and bronchitis.

Instead of taking sickening drugs into the stomach, or using an old-fashioned spray, the sensible man nowadays breathes the soothing vapor of Catarrhose and gets well right away. This is exactly what Mr. Joseph Daouze did, and writing from his office at 57 St. Paul street, he says:

"I suffered for years with the worst form of chronic bronchitis, throat and nasal catarrh. I tried all kinds of syrups, ointments, tablets and washes, but they proved ineffective. In fact I could get no relief. I read in the Montreal Witness of Catarrhose and bought an outfit. In a few hours I got relief. The air passages of my nose were cleared out, and I was able to breathe freely. My throat was strengthened—my voice improved—and no longer gagged and coughed. The effect of Catarrhose was wonderful. Now I am well—no bronchitis—no throat distress. I urge everyone with a weak throat, with a cough, a cold or a touch of catarrh to use Catarrhose freely."

Get the Dollar outfit—lasts two months and is guaranteed. Smaller sizes 25c and 50c each, all storekeepers and druggists, or The Catarrhose Company, Buffalo, N. Y., and Kingston, Canada.

ed out, and should come before the city hall committee.

There were present Chairman Bennett, Aldermen Robinson, Saunders and Glass, Fire Chief Attkin, Building Inspector Piper, City Clerk Baker and Assistant City Engineer Brazier.

**FORMER LONDONER
DIES IN TORONTO**
Mrs. Marion Bland, Wife of
Thomas Bland, Well Known
in This City.

The death of Mrs. Marion Bland, wife of Thomas Bland, 342 Markham street, Toronto, occurred on Thursday. She had been ailing for some time.

Mr. and Mrs. Bland were former residents of London, and while in this city lived at the corner of Wellington and Pall Mall streets. Mr. Bland was formerly connected with The Advertiser. They have resided in Toronto for several years. He has three sons and one daughter survive—J. A., of Vancouver; Cyril, in California; Herbert, in Toronto; Mrs. Thomas P. McCormick, of this city. A brother, William Black, mayor of Durham, also survives.

The remains will arrive on the 11:15 C. T. R. train from Toronto on Saturday morning, and the funeral will take place from the depot to Woodland Cemetery, where interment will be made. Rev. Dr. Ross, of St. Andrew's Church, will officiate.

Entertainment at Adelaide Street Baptist Church

An entertainment was given at the Adelaide Street Baptist Church on Thursday evening by the Arden Concert Company, composed of Miss Georgia M. Newbury, reader; Miss Gladys Shaw, soprano; Miss F. Dewey, violinist, and Miss Danglefield, pianist. A large audience was present and appreciated. Each number was well received. Miss Shaw sang "Happy Days" (Strickland), with violin obbligato, with a voice of clarity and sweetness.

The violin duet, "The Message of the Red Red Rose" (Luders) was well received. Miss Newbury concluded vociferously. Miss Newbury concluded a fine program with "Out to Old Aunt Mary's" (J. W. Riley). This number had musical accompaniment.

**Kensington Missionary
Auxiliary Meeting**
The yearly meeting of the Kensington Missionary Auxiliary was held at the home of Mrs. Wells, 86 Wilson avenue, West London. After the usual opening exercises the following officers were elected: Mrs. Wells, vice-president; Mrs. Box, second vice-president; Mrs. Wilson, recording secretary; Mrs. Stephens, corresponding secretary; Mrs. Whitely, treasurer; Mrs. Corbin, superintendent of systematic giving. The interest has been increasing, and altogether the past has been far the most successful year since organization. Three annual members were added to the roll.

**Duchess Connaught
Shows Improvement**
[Canadian Press.]
London, April 11.—The Duchess of Connaught, wife of the Governor-General of Canada, after her operation yesterday for intestinal obstructions, passed a good night. She continues to make satisfactory progress towards recovery.

STROKE WAS FATAL
Mrs. Margaret Clark Stricken After
Being Out Shopping.
[Special to The Advertiser.]
Petrolia, April 11.—The funeral of Mrs. Margaret Clark, wife of William Clark, held yesterday afternoon, was conducted by Rev. Dr. McNair. Mrs. Clark had been out shopping and on returning was stricken with a stroke and died soon after. She came to Petrolia about three years ago from Brussels.

She is survived by her husband, four brothers and one sister, Rev. George McKay, Concordia, Kansas; William and Edward McKay, Portland, Kansas; Andrew McKay, Vancouver, and Mrs. Mary Stephenson, of Port Huron.

JAPANESE AROUSED
Protest Against the State of California's Land Ownership Bill.
[Canadian Press.]
Tokio, April 11.—Bun Nakano, president of the Tokio Chamber of Commerce, today paid a visit to Arthur Bailly-Blanchard, chargé d'affaires of the United States embassy, to whom he outlined his views of the Japanese business community in regard to the Californian landownership bill. He requested Mr. Bailly-Blanchard to lay them before his Government at Washington.

A meeting of the joint chambers of commerce of Kobe, Osaka, Yokohama and Tokio has been summoned by M. Nakano for tomorrow to discuss the question. A joint meeting also of the Japanese political parties is being planned to discuss the situation.

The clause of the Californian bill, providing for the confiscation of the property of present holders, who have been unable to become naturalized American citizens, has aroused the strongest criticism here.

AFTER NOBEL PRIZE.
Calgary, April 11.—Ethel Stewart, of this city, announces herself a competitor for the Nobel prize of \$40,000 offered annually to the person doing the most active work in the establishment of universal peace. Mrs. Stewart claims to have established a peace organization here of which all the prominent men are members, and she is going to England to carry on her campaign.

MAY LOSE EYESIGHT.
Regina, Sask., April 11.—A. J. Broderick and George Kidd, engineers at Regina College, will probably both lose their sight as the result of an explosion of an acetylene generator, which they were examining.

BUFFALO CARS RUNNING UNDER MILITARY GUARD

Company Issues Ultimatum, But
Men Say That Strike Will
Be Continued.

[Canadian Press.]
Buffalo, April 11.—With street cars running under military guard over only ten miles of the International Railway Company's 300 miles of tracks, and a general strike of all union labor in the city threatened, strong influences were brought to bear today upon the corporation and its striking carmen to reach an agreement upon which questions of wages and hours can be arbitrated.

Mayor Fuhrmann sought to reopen the negotiations deadlocked last night upon the one issue of recognition of the strikers' union by the railway company, and Governor Sulzer, through the state board of mediation, began an investigation of the whole strike situation.

Company's Terms.
The railway company had published page advertisements in all the newspapers calling the attention of the public and its former employees to the terms upon which the company agrees to settle the strike. These are, briefly, the re-employment, unconditionally, of every man in the service of the company on the day before the strike was declared, "whether he belongs to the union or not," discussion of differences upon which this committee and the company fail to agree. They also agree to a board of three arbitrators, to be chosen in the usual way, instead of having the mayor as sole arbitrator.

These terms are regarded as the company's ultimatum.

President Wm. D. Mahon, of the union, today reiterated his determination to continue the strike unless the disputed questions in regard to hours, wages and re-employment of men are taken up with a committee of the union.

Stratford Porter Committed for Trial

[Canadian Press.]
Stratford, Ont., April 11.—Harry Bennett was this morning committed for trial at the fall assizes on the charge of shooting with intent to kill T. J. Merlihan, proprietor of the American Hotel. Bennett was a porter at the hotel, but was dismissed. He came back to the hotel last Thursday and when Merlihan tried to eject him, drew a revolver and fired, the bullet grazing Merlihan's eye.

RHEUMATISM YIELDS TO ZAM-BUK

READ THIS LADY'S EXPERIENCE.

Just at this season many people find themselves suffering from aches and pains of rheumatism, sciatica, etc. For these, Zam-Buk is a sure cure.

Mrs. Mary Harman, Wheatley, Ont., writes: "I had rheumatism very badly. It affected my right arm and leg, and was so bad that I could not put my hand to my head or behind me. I was quite helpless, could not do my work, and could not even dress myself, but had to be attended to like a child. The rheumatism in my leg was so bad that at times I could hardly walk."

"Naturally I tried various remedies, but they seemed to do me no good. A friend advised me to try Zam-Buk. I obtained some, and had it rubbed thoroughly into the affected muscles. Before the first box was used I was very much better. I could move around the house with ease, and dress myself, and needed very little personal attention. I continued with the treatment, rubbing Zam-Buk in thoroughly every day, and in a few weeks' time the rheumatism was driven completely out of my system. The cure was permanent, too, and since that time I have never been troubled with rheumatism."

It is just as good for skin injuries and diseases, eczema, scalp sores, eruptions, piles, hemorrhoids, burns, scalds, etc. All druggists and stores, 50c box, or by mail from Zam-Buk Company, Toronto, for price.

TWO YEARS IN PEN FOR SHOP THIEVING

Woodstock Man Who Beat His
Wife Asked Leniency From
Magistrate.

[Special to The Advertiser.]
Woodstock, April 11.—Two years at hard labor in Kingston Penitentiary was the sentence handed out by Magistrate Ball today to George F. Glenn, convicted of stealing over \$100 worth of goods from the Oxford Knitting Company's factory.

Glenn asked for leniency on account of his wife's health, but as he has assaulted her on various occasions this plea did not carry much weight.

Sentence in the case of Fred Skellings, of Blenheim, for assaulting a girl with criminal intent, was deferred another week to allow the magistrate to hear stories from both defence and complainant. Sentence was also put off one week in the case against Chas. Cutmore, charged with a serious offence against a girl under 16 years, as the certificate of the girl's age has not yet been obtained.

On the other hand, Greece is concentrating her army along the railway leading to Saloniki.

It was announced a few days ago that Greece had transferred a division of her army from the Province of Ohrida to Saloniki.

Alliance Backs.
Vienna, Austria, April 11.—The powers composing the Triple Alliance—Germany, Austria-Hungary and Italy—advocate, according to the Neue Freie Presse, that Saloniki should be given to Bulgaria as compensation for the cession of Silistria and a strip of Bulgarian territory to Rumania.

Russia and France, on the other hand, are of the opinion that Greece should have Saloniki, while Great Britain appears to favor the view of the Triple Alliance.

Officers are Considering Offers From
Several Nearby Places.

Arrangements are under way for a holiday trip for the Seventh Regiment, over May 24. It has not yet been definitely settled where the regiment will go, but a special committee is considering offers from several places in the vicinity.

It was stated to The Advertiser today that following suggestions by Major Gordon-Hall, changes are to be made in the drills, which are held every Monday night, and that more company and battalion work will be done for the rest of the season.

**PLAIN STORIES
OF THE BIBLE**
Told in Such a Simple Manner
That Even a Child May Easily
Comprehend Them—Great
Offer Soon To Be Withdrawn.

A good story is often spoiled in the telling. The main points are easily buried in a wealth of words. Good writers aim to avoid the use of big words. Simple words more clearly convey the thought.

The Bible is an example which proves the force of simple words. Its plain stories, simply told, will ever stand as specimens of good literature.

One of the excellent features in the new illustrated Bible being presented by The Advertiser is a series of educational helps prepared by some of the world's greatest authorities. They take up the history and geography of Bible lands and peoples, and are also written in simple language, that is interesting as well as instructive.

Another unique feature of this new Bible is the treatment of hundreds of subjects, with illustrations printed in numerous Tinted pictures in colors, and these are inserted in their proper places throughout the volume.

Did you ever try to pronounce Bible names without an expensive Bible glossary at hand? Well, The Advertiser's Bible is self-pronouncing, which makes it easy for you to read aloud with absolute certainty of correctly pronouncing all names of places and people.

Taking it all in all, this is the most useful Bible ever printed and you should lose no time in clipping the certificate on another page.

This remarkable offer will soon be withdrawn, a fact which should induce intending purchasers to hurry.

Among other places with names distinctly original and out of the beaten track, but the meaning of which is charmingly obvious, is a summer home down on Long Island known as Lafalot, another as The Leftover, and the Plas-ar-Llyn, owned by George R. Schieffelin, and "La Chaumiere" at Oyster Bay, owned by Frederick R. Couderc; the summer place of Christopher Woodward at Sodus Point, known as Cobweb, and the summer residence of Charles E. Raymond, known among the cottage colony as Wake Robin.

In these latter days a huge ocean steamship may be held for sale by a ship-building company as a dry goods man keeps a valuable piece of calico on his shelves. Sixteen years ago the Kaiser Frederick, a 12,000-ton steamer, was built in Germany. She has been waiting a buyer ever since, and has now at last been disposed of, at a "marked-down" sale, to a French syndicate for the South American service. She cost her builders \$2,400,000, and her keel for sixteen years, and was sold for \$600,000.
