TORONTO WIFE ARRESTED AT ONTARIO, CALIFORNIA

Mrs. Willets, It Was Thought, Had Perished On the Empress.

[Canadian Press.]
ONTARIO, Calif., July 16.—Mrs. Hattie Willets, who was believed to have been lost in the Empress of Ireland disaster in the St. Lawrence river, leaving a husband and four children in Toronto, Ont., was arrested here today in company with E. A. Hensen and H. R. Horn, also of Toronto.

The two men were held on a charge of bringing Mrs. Willets here from Canada, and were detained by the police until it is known whether a charge of violating the Mann White Slave Act will be placed against them by the federal authorities.

Mrs. Willets did not engage passage on the Empress of Ireland, but she is alleged to have told her family and friends on leaving home that she was going to board the steamer.

TWO YOUNG MEN DROWN THROUGH ROCKING CANOE

Austin O'Toole and Charles Burgoyne Victims at Peterboro.
PETERBORO, July 16.—Late this afternoon, Austin O'Toole, aged 17, and Charles Burgoyne, this city, aged 24, lost their lives by drowning in the river a few miles below this city. The two young men and another named Fowler were rocking the canoe when it upset. Fowler swam to shore, about twenty-five yards, supposing that the others, who were good swimmers, were following, but when he looked back, he saw only the overturned canoe and no trace of the young men. Both bodies were recovered.

A ROYAL ROMANCE

IS SLAIN MAN FROM ST. THOMAS?

Duncan Campbell Reported Fatally Stabbed on the Isle of Pines.

[Special to The Advertiser.]
ST. THOMAS, July 16.—It is believed by relatives and friends that the Duncan Campbell, killed in the Isle of Pines, off the coast of Florida, may be Duncan Campbell, the son of Mr. John L. Campbell, clerk in Ingram & Davey's hardware store, this city.

Mr. Campbell's son Duncan was working in an automobile factory in Detroit, until a few months ago, when he, along with a companion, left for Chicago and St. Louis. The latter left him there and returned to Detroit. Nothing has been heard of him since, until today, when Mr. Campbell received a letter, dated at Detroit, containing a newspaper clipping. No explanation as to what paper it had been clipped from, or where the Duncan Campbell referred to had been, was given.

Fatal Stabbing Affray.
The item read as follows: "Havana, July 13.—The Cuban secretary of justice today ordered Attorney-General Hector De Saavedra to go to the Isle of Pines to investigate the circumstances of the death of Duncan Campbell, an American, who was fatally stabbed by Victor Perez, after a quarrel. His body will be conveyed to the island on board a revenue cutter."

Duncan Campbell's wife is at present visiting in St. Thomas, and intended joining her husband as soon as she received word from her husband. The young man's people are trying to get into communication with the Cuban authorities.

YOUNG MAN PERISHED IN MERLIN RESERVOIR

D. Lee Thought To Have Drowned While Bathing Sunday Night.

[Special to The Advertiser.]
MERLIN, July 16.—A sequel to the disappearance of 17-year-old David Lee Sunday night came at 4 o'clock this afternoon when his body was discovered by some boys in the Pere Marquette reservoir.

The discovery was made by Walter Marshall and some other boys who were in the neighborhood of the water and saw the corpse floating on the surface. They notified Dr. Bell, coroner, who, after investigation had been completed, performed an autopsy and decided that an inquest was unnecessary.

How the unfortunate young man happened to meet his death is not known. He came to this district a short time ago with his family, from Paulding County, Ohio, and they located on a farm on the Middle road. He frequently went to swim upon friends, and last Sunday visited at the home of J. H. M. Saylor, who also lives on the Middle road. He started for home about 10 o'clock that morning and was not seen again.

A peculiar circumstance is that while his clothes were found on the shore of the reservoir, his shoes were missing. There were no marks on the body, however, to indicate that he had met foul play, and the supposition is that he was drowned while bathing.

The family, which consists of his parents and five brothers and five sisters, are grief-stricken over the tragedy. They will ship the body tomorrow to the former home in Ohio for burial.

[Canadian Press.]
NEW YORK, July 16.—Irish Americans and friends of Ireland from all parts of the United States and Canada attended a meeting of the national directors of the United Irish League of America here today, at which \$100,000 was subscribed for the Irish volunteer fund for use in the movement led by John Redmond in the Irish parliamentary party.

MASONS ARE FOR WORLD PEACE

Inspiring Sights at Falls, Where Grand Lodge Holds Celebration.

[Canadian Press.]
NIAGARA FALLS, July 16.—An unprecedented sight was presented in the Falls today, both in the afternoon and evening on the occasion of the celebration by the Grand Lodge of Canada, A.F. and A.M., of the hundred years of Masonry in the United States.

The building, which holds over 1,200 persons, was crowded to its utmost capacity, and there was a record attendance of delegates from all sides of the line, many men prominent in United States Masonry being present.

The hall was a riot of color, and hardly a square inch of the walls could be seen for the flags of the two countries and the variegated bunting. Half way up each of the sixteen pillars were two Canadian flags with an American flag in the centre. At the rear of the hall was a huge motto: "Let there be peace." On the platform was a choir of school children bearing flags of both countries.

Telegram From Premier.
Grand Master McPherson, of Toronto, welcomed the delegates and read a telegram from Sir Robert Borden, that every movement which promoted the era of peace between the two countries had the warm sympathy of the Canadian Government. The speaker rejoiced to see the flags united, and said: "God grant they may never be flaunted in defiance of one another."

Rev. Dr. Z. B. Phillips, of St. Louis, gave a vivid picture of the effects of peace in the future.

Presentation to Grand Master.
An interesting presentation of a silver dish was made to the grand master by M. Morrison, grand master of Indiana Grand Lodge, on behalf of the grand lodges of the United States. In his reply, Mr. McPherson showed the minute book of Barton Lodge, Hamilton, 125 years ago, containing a resolution of sympathy on the death of George Washington.

John Ross Robertson, of Toronto, and W. B. Melish, Ohio, also addressed the audience.

At the evening meeting expressions of good-will were voiced by the representatives from the United States. Melvin Johnson, of Boston, grand master of the oldest Masonic jurisdiction in America, declared there must be homogeneity introduced in the future to make civilization permanent and peaceable. Other speakers were: Rev. Canon Tucker, London, Ont.; A. C. Stewart, deputy grand master of Missouri, and Henry Wilson, Nebraska.

Thos. J. Bonner, of Tennessee, in the course of an address, moved that the gathering place itself on record to labor for universal peace, and call on all Masons to aid in the establishment of a peace commission; no commission had exhausted all means to secure an adjustment.

FREIGHTER MARY BOYCE FAST ON HURON REEF

Lifesavers Ready to Render Any Assistance to the Crew.

[Special to The Advertiser.]
SARNIA, July 16.—Word was received here today that the steamer Mary H. Boyce, laden with lumber from Duluth to Cleveland, today ran on a reef off Port Hope, Lake Huron. A heavy fog prevailed at the time of the accident.

The steamer was carried over the reef and her stern rests on the rocks, 600 feet out of the water. She is in a dangerous position in case of a storm, and the Point Aux Barques life-savers are standing by to render assistance if necessary. Tugs and a lighter will be sent up by the E.C. Ry.

Reckless Violation.
Boat captains are complaining of the reckless violations by pleasure craft of the rules and regulations of navigation. Many of the launches, without lights, others take risks in crossing in front of steamers, and still others neglect to blow whistles. The ferry Hiawatha narrowly escaped running a craft down last night that was operating without lights.

FLAMES SWEEP TOWN OF HEARST

Bush Fires Make Four Hundred Homeless in Northern Ontario Town.

COCHRANE, July 16.—Fire yesterday wiped out the town of Hearst, at the junction of the Algoma Central with the transcontinental railway, and between 400 and 500 people were rendered homeless. The only buildings left standing are the transcontinental rounhouse and station and the stores of Jameson and Hayworth.

A relief train arrived here this afternoon with about 300 refugees. They tell stories of a fight which lasted three days and nights. Several times it was thought that the flames had been vanquished, but they sprang up again. The wind increased to a gale, and the battle was given up at three o'clock yesterday afternoon, the inhabitants taking refuge on the transcontinental tracks until the relief train arrived. The homeless ones were housed and fed at a camp of the construction firm of O'Brien, McDougall and O'Gorman.

The town was largely a railway construction centre, being the headquarters of the above mentioned firm. All their buildings have gone, and also most of the buildings erected by the commission. No casualties occurred, and the refugees, most of whom are now destitute, are being well cared for here.

Bush fires have encircled the town for some time.

U. S. TELLS CARRANZA HE MUST BE GOOD

If He Enters Mexico City Forcibly, He Will Not Be Recognized.

WASHINGTON, July 16.—The United States today instructed John R. Silliman, United States consul at

Saltillo, to inform General Carranza that if he arrives at a peaceful agreement with the Carranza Government for the transfer of power at Mexico City, recognition will be extended to the resultant administration.

Should Carranza refuse to complete the settlement of the internal conflict by diplomatic means and insist on a forcible entry into Mexico City, recognition will be deferred until there is a legal election. American forces, according to present plans, will not be withdrawn from Vera Cruz until a government is recognized. This determination was reached by President Wilson and Secretary Bryan after the viewpoint of the South American mediators was laid before them.
