Where the Winter Cold Is Intense.

Reported-Eskimo and Reindeer.

Two priests from the far northern portion they were credited. of Alaska were passengers on the steamer Topeka. They are two of the little band of apart from civilization, to labor among the final examinations are not yet known. Eskimo of the coast and the Indians of the interior. The two priests are Father Tosi, superintendent of the missions and prefect apostolic, and Father Barnum. The former's Skeena, and under his charge is the whole not been south since he entered the work Eskimo are, he says, the kindest, mildest

knowing. He has met the miners as they have come out from the mines for the winperienced miner with \$800 or \$900 in his pocket might get along, but young, inexperienced men who thoughtlessly rush to the mines are courting disaster. For one thing, they must be prepared to stay there a year and a half, for once at the mines it is difficult to reach the coast. Then the cold is intense, the spirit thermometer sometimes registering as low as 80 degrees below zero, and there is great liability of being frozen to death. An incident happened last winter, where a man within a hundred yards of safety was found frozen to death. Last year whooping cough played havoc among the Eskimo of the coast and the Inglik Inyear whooping cough played havoc among ers and to the merchants here. the Eskimo of the coast and the Inglik Indians, who live towards the interior. The population of Indians and Eskimo is very terian church on Sunday evening last, Rev. sparse, much less than is the general im W. Leslie Clay made mention of the good pression of the people of the outside world. In spite of this the whooping cough spread like a plague, and many of the children of advanced age residing in the city. He were carried off by it.

The reindeer that the United States government have been introducing into Alaska ernment have been introducing into Alaska have not proved a success nor will they ever be until the Eskimo dogs are cleaned out of the country. This is Father Barnum's opinion, based upon the facts brought under his notice. "The Eskimo dog is just like a wolf," the Father explained, "and whenever he comes across a deer he simply tears it to piece. To the whole where the winter sets in is, he considers a matter of much importance which requires prompt attention.

The fire department were called out yesterday to save from the flames the dwelling toria, and thought that the good movement once started would meet with general favor. To make provision for these women before the winter sets in is, he considers a matter of much importance which requires prompt attention.

of 7 goals to 2. For the Mayflowers W Northcott, G. Robinson, E. Burns, C. Mc Lannard and F. Fawcett were conspicuous, while the stars in the O.K.'s were G. Mo Donald, F. Taylor, E. McMicking and W. The shilling fund toward the United Em-

pire testimonial to Dr. Grace, the world's greatest cricketer, is now open at the COLONIST office, where subscriptions will be received for forwarding to the London Telegraph. The following are acknowledged: H. J. Martin, J. T. Wilkinson, D. E. Campbell and C. W. Rhodes.

At an executive meeting of the Victoria Canoe club yesterday, the resignation of E. Brammer as secretary-treasurer was received and accepted with regret. Mr. F. G. White was elected to fill the vacancy. William Christie was elected a member of the executive committee to fill the vacancy caused by the decease of the late A. Rocke Dr. Baker's " Dandy " was the winner of the horse race at Clover Point yesterday afternoon. Each of the five horses entered VANCOUVEE'S SATURDAY MEETING.

Entries close on Wednesday (to-morrow):

for the event ran, and a good second place was taken by W. Snider's "Jim S." After for the race meeting of the Burrard bioycle club, which is to be held on their four lap with H. Cole's "Jennie C." on Tuesday SHIPS AND SHIPPING.

The "Evandale" Libelled on Account of Damaged Consignments-The "Eleanor" Departs.

Steamer "Barbara Boscowitz" Again in Service-Alaska and California Liners.

Late on Monday night the Northern Pacific steamship Evandale, Captain William Buyers, was libelled in the United States sailed at daylight yesterday morning for Japan and China. Owing to the lateness of the hour when the libel was filed it was imtained from going to sea yesterday afternoon. The libellants are Saunders, Ward & Co., whose claim amounts to \$12,000, and Balfour, Guthrie & Co., whose claim mounts to \$1,200. When the vessel arrived from China and Japan recently she brought, consigned to Saunders, Ward & Co., 12,000 sacks of sugar and a large consignment of gunny sacks to Balfour, Guthing a quantity of both consignments. There has been some dispute over the settlement for the damages, hence the commencement of the action. On Monday night Deputy U. S. marshal C. S. Bridges was placed in

RETURN OF ALASKAN EXCURSIONISTS.

Although thoroughly enjoyed by all the passengers the trip to Alaska completed by the steamer Queen yesterday afternoon was not nearly so pleasant as many of her former voyages. Several of her passengers disem-barked here, while nearly all employed themselves during the ship's eight hour stay from whom all information can be obtained, She received no reports whatever of any of the sealing fleet now in the Behring sea.

MARINE NOTES. After lying idle since May 8 last the steamer Barbara Boscowitz left for the North last evening via Vancouver. She carried besides a big freight the following passengers: Mrs. J. D. Warren and daugh-ter, Mrs. and Miss Franklin, Miss Shelby,

"Canst thou minister to a mind diseased?" asks Macbeth, Certainly, my lord: the condition of the mind depends largely, if not solely, on the condition of the stomach, liver, and bowels, for all of which complaints Aver's Pills are "the sovereignest thing on earth."

DAIRY FARM

*-FOR SALE

LANGLEY PRAIRIE.

One of the best Dairy Farms in the Province. There are 125 acres of land; about 50 acres in hay meadow; 2 acres of bearing orchard; 60 acres of good pasture. The Comekl River runs through this property, and there is always abundance of water for cattle, etc. There is a large house; 2 large barns; good dairy cellar; a blacksmith's shop; large wood-shed; hen-house and piggeries; 2 good wells of water. There are 20 cows; a thoroughbred Jersey bull; some young stock; 3 horses; 50 pigs; chickens and ducks. One Toronto mower, horse-rake, hay-fork, plows, harrows, wagon, buggy, harness, and everything for a well ordered farm. All of which will be sold with the place if purchaser so wishes. A daily boat runs to New Westminster, 15 miles distant, and there are good roads. This farm is above high water, and is close to school, churches and post office. The municipality is free of debt and taxes are low. For further particulars : :
