Tailored Costumes. A High Standard of Quality at \$25

IF we measured you for a costume and made it in our own workroom, we could not make one that would reach up to the high quality of workmanship or material that is embodied in these costumes for less than \$40.

The fact is that these costumes are made especially for us and are produced by expert tailors who devote their whole attention to one part of a garment. As a result these men become so expert and rapid at their work, that the good all-round tailor has no chance to compete with them.

We guarantee a perfect fit, and if we have not a costume in stock that will fit you, we will have one made to your own measure without extra cost. Let us show you the goods.
