Could Not Lie On His Left Side Heart Would Stop.

Hundreds of people go about their daily work on the verge of death, and yet do not know it. It is only when the shock comes that the unsuspected weakness of the heart is apparent. There is only one cure, and that is

MILBURN'S HEART AND NERVE PILLS

Try Them and Be Convinced.

Mr. Paul Poul, Casapedia, Que., writes:—About five years ago I gave up all hope of getting better of heart trouble. I would nearly choke, and then my heart would stop beating. I could not lie on my left side, and became so nervous and weak I could not work. A friend told me to try Milburn's Heart and Nerve Pills, and before the first box was taken I was almost well, and the second box completed the cure. I have advised many others to try them, and they have all been cured of the same trouble. I have offered to pay for a box for anybody they do not cure.

Milburn's Heart and Nerve Pills are 50c. per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LADIES OUTFITTERS.

Why it Will Pay You To Buy Invictus Shoes

You'll know the difference between good and bad leather only after you've worn it.

It's then that the inferior leather shows its defects, both in looks and wearing qualities.

When you buy a pair of shoes you are at the mercy of the maker. If he puts inferior leather into them he's going to lose your future trade.

But if he uses good, high grade selected leather, it means that your purchases won't stop with the one pair—you'll become a permanent buyer.

Men who buy one pair of INVICTUS Shoes keep on using them from year to year.

Because INVICTUS Shoes are made of the best selected leathers, by skilled workmen, on modern machinery, over stylish, up-to-date lasts.

They're made with the object of giving the maximum of wear, style and comfort that any shoes can give.
