

## WOMAN IN TERRIBLE STATE

**Finds Help in Lydia E. Pinkham's Vegetable Compound.**

Cape Wolfe, Canada.—"Last March I was a complete wreck. I had given up all hope of getting better or living any length of time, as I was such a sufferer from female trouble. But I took Lydia E. Pinkham's Vegetable Compound, and today I am in good health and have a pair of twin boys two months old and growing finely. I surprised doctors and neighbors for they all know what a wreck I was."

"Now I am healthy, happy and hearty, and owe it all to Lydia E. Pinkham's remedies. You may publish this letter if you like. I think if more women used your remedies they would have better health."—Mrs. J. T. Cook, Lot No. 7, Cape Wolfe, P. E. I., Canada.

Because your case is a difficult one, and doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

The Pinkham record is a proud and peerless one. It is a record of constant victory over the obstinate ills of women—ills that deal out despair. It is an established fact that Lydia E. Pinkham's Vegetable Compound has restored health to thousands of such suffering women. Why don't you try it if you need such a medicine?

## THE GLOUCESTER COUNTY ELECTIONS

**Politics Brought Into Municipal Elections and Conservatives Suffer Reverses**

Bathurst, N. B., Oct. 8.—The municipal elections took place in Gloucester county yesterday and there were contests in seven out of nine parishes. The Conservative party, especially the local members, introduced dominion and provincial issues and brought out Conservative tickets in every parish. The result was an almost complete sweep for the Liberals. Out of eighteen councillors elected it now looks as if the Conservatives could only count on five.

The battle raged the bitterest in the large parish of Beresford, where Messrs. Stewart and Hachey, local members, devoted a great deal of their time and made use of both federal and local patronage in their attempts to win. Their candidates were Francis Frenet, a local government official, and Jos. R. Hachey, provincial crown land commissioner. In their determination to win the local members called in the assistance of the Conservative forces from the lower section of the adjoining county of Restigouche and one of the local M.P.'s from Restigouche stood at the Green Point poll with a Gloucester M.P.P. all day.

Run and money flowed freely, but they fell short and Theo. Roy and Ed. Cormier, Liberal candidates, were elected by substantial majorities.

At another poll in this parish, an M. P. P. also stood and with the aid of patronage tried to turn the tide that is certainly sweeping strong against the local government, but all in vain, his candidate being defeated by two to one.

The next hardest fight was put up in the parish of Shippegan, where the old councillor, M. Michaud M. P. P., fearing defeat, had retired, and threw all the influence of both governments in favor of his chosen men. The conservative candidates here were defeated by a two to one vote.

In the parish of Sumner, A. J. Witzell, M. P. P., the old councillor, retired rather than face defeat, and the news received late today indicates victory for both Liberals.

The Conservatives wished to test the feeling in Gloucester, and threw down the gauntlet. The Liberals, who are in fighting trim, did not hesitate to accept the challenge, with the result that they have more than held their own.

The Restigouche Conservatives who deemed it prudent to interfere in Gloucester matters have been taught a lesson they will not forget. So have the Gloucester local members. Let them read the writing on the wall.—Transcript.

## INDIAN VILLAGE TO BE BURNT

The entire Indian village on the site of Prince George, the new Grand Trunk Pacific town, will be burned down within a few days to make way for the new town. The torch will be applied ruthlessly and the ancestral homes of the tribe will be swept away to the last building. Even the churches of the natives will not be spared.

The Indians are moving their property to the new villages built for them on the reserve in the "Goose country," 15 miles up the Fraser, and on Duck Lake, 12 miles up the Nechaco river.

When the railway company purchased the Indian reserve which is the site of Prince George, it was agreed through the Dominion Government that new villages should be built for the

### THE MIND READER

"Mind reading? Nonsense!" said Hawkins contemptuously. "Nothing in that! I'll give you ten dollars, Jimmerson, if you'll read my mind right now. What am I thinking?"

"Why," said Jimmerson, eyeing Hawkins keenly, "you are thinking that mind reading is perfect nonsense, that is absolutely nothing in it, and that therefore your ten dollars are perfectly safe."

"By Jove!" cried Hawkins paying up like a gentleman. "That's wonderful, Jimmerson! You got it exactly. How the dickens do you do it?"

## DR. THOS. HANSON OF KENDRA DEAD

**Another Break in the Thining Ranks of the Pioneers of Kenora, Ontario**

Dr. Hanson one of the early pioneers of Kenora died recently at his residence, 1st Street South. Up to about eighteen months ago he had always enjoyed robust health, but an attack of pneumonia greatly weakened his constitution and he has never been the same man since, and his friends saw a gradual weakening. He took to his bed about four months ago, and little hope for his recovery was entertained from that time.

The late Dr. Hanson was born at London, Ontario in 1846 and received his primary education in the schools of that city, subsequently attending Trinity University, Toronto from which Institution he graduated in Medicine at the age of 17. During the years of 1866 and 1867 he was House Surgeon at Harper's Hospital, Detroit, and he responded to the call for volunteers during the Fenian troubles at that time and went to the front.

In 1868 he left for the west settling in Winnipeg and took out the first Medical Diploma issued in Manitoba.

During the early construction period of the C. P. R., Dr. Hanson removed to Kenora and has resided there ever since. He was the first Reeve of the Township organization and also acted as Coroner and subsequently Medical Health officer up to the time of his death. He was also connected with the Government Indian Department for 30 years, and travelled every year over this vast district visiting the different Reserves, in his professional capacity. He was a prominent Mason being connected with the order from the early days.

Besides his widow he leaves a family of nine children, seven daughters and two sons. Mrs. G. M. Kempfer of New Carlisle, P. Q., Mrs. M. K. Heap, Kenora, Mrs. R. M. Gardiner and Mrs. K. Weeks, Winnipeg, Mrs. Warren, Kenora, Thomas Hanson, Sault Ste. Marie, Jack and the Misses Irene and Sybil of Kenora.

### A PERTINENT QUESTION

A number of men gathered in the smoking car of a train from Little Rock to another point in Arkansas were talking of the food best calculated to sustain health.

One Arkansan, a stout, florid man with short gray hair and a self-satisfied air, was holding forth in great style.

"Look at me!" he exclaimed. "Never had a day's sickness in my life. All due to simple food. Why, gents, from the time I was 20 to when I reached 40 years I lived a regular life. None of these effeminate delicacies for me. No late hours. Every day, summer and winter, I went to bed at 9, got up at 5. Lived principally on corned beef and corn bread. Worked hard, gents—worked hard from 8 to 11. Then dinner: then an hour's exercise, and then—"

"Excuse me," interrupted the stranger, who had remained silent, "but what were you in for?"

### ONTARIO AND QUEBEC

The place names of the two Provinces eloquently reflect the historical background of the respective peoples. Journey through Ontario and you are confronted with names of countries, townships, towns and villages lifted almost bodily from England, as in Middlesex, Lincoln, or York. Go through Quebec and we meet the names of French kings, governors, and explorers, not to speak of innumerable saints held in close reverence by a devoted people. In Ontario we find in the nomenclature a solemn march of heroes, governors, poets, philanthropists, statesmen, disadversers, and martyrs, connected with the expansion of glory of England, such as Sir Isaac Brock, Sir Guy Carleton, General Halldmand, Governor Hamilton, Governor Hope, General Prescott, the Duke of Richmond, Lord Durham, Sydenham, and Aylmer, Governor Simcoe, Sir Charles Bagot, Hilton, Collingwood, Wellington, Nelson, Raleigh, Hampden, Palmerston, Pitt, Harvey, Franklin, Wilberforce, and Macaulay, with such reminders of victory as Blenheim, Trafalgar, Vincent, Waterloo, and Sebastopol.

In Quebec how different are the scenes called up by the names of cities, rivers, counties, and parishes: Champlain, after the founder of Quebec; Chicoutimi, the first French viceroy, Montmagny, who succeeded Champlain, two officers of the Carignan regiment, St. Louis and Richelieu, perpetuate the Grand Monarch of France and his long-trusted Minister; Frontenac, Vaudreuil, and Beauharnois were three of the most able and energetic of the French Governors of Canada, while Bishop Laval, Generals Montcalm and de Levis, Cardinal Richelieu, Charlevoix, and other celebrities are similarly remembered. As to the names of saints, the calendar and Acta Sanctorum seem to have been ransacked and not even the most obscure result of canonization overlooked. Throughout Quebec we meet names unfamiliar and meaningless to Ontario, names only quoted at general election time, and then only to be mispronounced—M. O. Hammond in THE CANADIAN MAGAZINE.

## LAKE STEAMER DISASTER IN CANADA

Edmonton, Alb., Oct. 13.—The Hudson Bay Company's tug "Primrose" which plies on Lake Athabasca between Fort Chipewyan and Fond Du Lac and also on Slave River is reported missing and believed to have foundered with all on board, sixteen in all.

The Primrose left Fort Chipewyan for Fort Fond Du Lac about September 17 with two scows laden with supplies. The round trip is usually four days or a week at the most. Twenty-five days have elapsed and as nothing has been heard of the tug, the worse is feared. The names of those on board are not known in the city. A party from Fort Chipewyan is expected to arrive at Athabasca this week and additional details will then be forthcoming.
