

NOBODY KNOWS.

Only a kiss on the baby's face... Only a word to a mother's joy... Only a sigh for a wayward son...

Sound Philosophy.

Here is something like philosophy from the sage of the Juvenile Ranger... Hero is something like philosophy from the sage of the Juvenile Ranger...

Be Kind.

"Have you ever noticed," writes Prof. Drummond, "how much of Christ's life was spent in doing kind things?"

"The greatest thing," says some one, "a man can do for his heavenly Father is to be kind to some of his other children."

A Pointed Rebuke.

There may be a few of our readers who would be benefited by the following:—Some time ago a minister, annoyed by the filthy habit of tobacco chewing among his congregation, spoke to them one day about it.

The older girls at the South Carolina School have organized a King's Daughters' Circle. They also have prayer meetings on Sunday evenings.

This year's report of the New Jersey School expresses the opinion that deafness is not, on the whole, increasing in the United States. This opinion is disputed.

A Greek Legend.

When Bacchus was a boy he journeyed through Hell to go to Naxos, and, as the way was very long, he grew tired and sat down upon a stone to rest.

If I Were A Boy.

It is Bishop Vincent who said, "If I were a boy I should play and romp, sing and shout, climb trees, explore caves, swim rivers and be able to do all manly things that belong to the manly sports."

Who are the Rich?

The man with good firm health is rich. So is the man with a clear conscience. So is the parent of vigorous, happy children.

Attention, Boys!

The attention of our boys is called to the following pledge which Raymond Rose has signed and sent home. "To my father and mother, brothers and sisters and to all whom it may concern."

Admission of Children.

When pupils are admitted and parents are advised to the Institution, they are kindly advised not to linger and prolong their stay with their children. It only makes discomfort for all concerned, particularly for the parent. The child will be temporarily separated, and if left in our charge without this will be quite happy with the others in a few days, in some cases in a few hours.

Visitation:

It is not beneficial to the pupils for friends to visit them frequently. If parents must come however they will be made welcome to the class-rooms and allowed every opportunity of seeing the general work of the school. We cannot furnish lodging or meals or entertain guests at the Institution. Good accommodation may be had in either the Holy House, Queen's Anglo-American and Dominion Hotels at moderate rates.

Parents will be good enough to give all directions concerning clothing and management of their children to the Superintendent. No correspondence will be allowed between parents and employees under any circumstances without special permission in each occasion.

In case of the serious illness of pupils letters of telegrams will be sent daily to parents or guardians. IN OUR AMERICAN OF LETTERS FRIENDS OF PUPILS MAY BE QUITE SURE THEY ARE WELL.

All pupils who are capable of doing so will be required to write home every three weeks. Letters will be written by the teachers for a little ones who cannot write stating, as far as possible, their wishes.

No medical preparations that have not been used at home or prescribed by family physician will be allowed to be taken by pupils except with the consent and direction of the Physician of the Institution.

Parents and friends of deaf children are warned against Quack Doctors who advertise in the press and apply for the care of the deaf and only want money for which they give no return. Consult well known medical practitioners in case of ailments and be guided by their counsel and advice.
