TO ADVERTISERS.

The attention of wholesalers and manufacturers is called to page nine of this issue.

Our Special Spring Number

will reach every retailer from the Atlantic to the Pacific. The objection is often made that travelers meet all requirements but this is fallacious. The traveler may call attention to certain new lines of goods, perhaps not wanted at the moment, but the trade paper with its advertising pages keeps these goods constantly in mind. Supplement the work of your travelers with an advertisement in THE REVIEW and you will be in a better position to get and keep the country trade. Write for Rates to
