FEATHERS ARE FASHIONABLE THIS SPRING

Every considerable millinery establishment has a large stock of Feathers, Plumes, Tips, Pompoms and Mounts, which would be worth as much as new stock if only they were the right color. We can make them just the same as new stock. We dye millinery supplies of all kinds in the most fashionable shades. We are not beginners. We are expert dyers of long standing, able equipment and approved methods.

We dye, clean and curl feathers.

We dye and finish union and soft silk ribbons equal to new.

Our prices are very low.
