

Strangers and new comers feel at home with us.

## Notes

The S. School Picnic was a success every way. All worked with a will. There is a balance in the treasury of over \$20.

**The last chance.** That is given to-day to help in making up our Convention allotment. If you have given before give again. There has been an encouraging response thus far, and we hope to exceed our expectations. Let no one, young or old, miss this opportunity of helping the Lord's work.

**It is a good plan** to pay our church subscriptions in advance. A little planning would enable many to do this. Certainly, the offerings should come in regularly each week. If you are away, make arrangements with some one to hand them in. The bills of the Church must be paid whether we are present or absent. We ought to be as thoughtful in our church business as we are in our daily transactions. It is important that we support the church with our prayers and our money. God loves a cheerful giver in both. One is not complete without the other according to our ability.

**There is one contribution** which we can all largely make. It is the natural expression of a heart in which abides the love of Christ. All of us have it in our power to help the church of Christ by our sympathy. We may not be able to give large sums of money, as much as we long so to do; we may not have the ability to render large personal service, but have to content ourselves with small offerings. But we can be sympathetic and wish others God speed. Our reward will not be given according to what we sincerely desire to attain. They also serve who stand and wait. The kind, sympathetic members who take a deep interest in all that pertains to the welfare of the church are the ones who will hear the words, "well done, good and faithful servant." None of us have any too much sympathy with the Lord's work, and we need constantly to pray "Lord deepen my interest, it is so easy for me to get careless and forget."

**Applications for Sittings** should be made to Deacon J. S. McPherson. The seats are assigned, not rented. Each holder of a sitting is expected to be a contributor.

**THIS CHURCH IS SUPPORTED** by the voluntary contributions of the people that is to say, every member of this church is covenanted voluntarily to subscribe towards the expenses of the church whatever sum it is in their power to give, and shall so inform the Financial Secretary, and from him receive envelopes for that purpose. All bills or accounts are to be sent to A. E. Soullis, 119 Robie St. All monies contributed, donated or raised by and for the church, are to be handed to N. L. McDonald, Fin. Sec'y.

**CONVENTION FUND** offering the second Sunday of each month. **W. M. A. S.** OFFERING the third Sunday of each quarter beginning with August.

*Families having cases of sickness or distress will please send word at once to the Pastor, or one of the Deacons. You are urged to use the information cards in news. If you are not a regular member of some other city congregation, you are cordially invited to come with us and find a permanent home.*
