## AN EXTRAORDINARY OFFER TO ANY WANTING EMPLOYMENT.

We want live, energetic agents in every county in the United States and Canada to sell a patent article of great merit, on its merits. An article having a large sale, paying over one hundred per cent. profit, having no competition, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages to our agents, and the fact that it is an article that can be sold to every house owner, it might not be necessary to make "AN EXTRAORDINARY OFFER" to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but its salability by any agent that will handle it with energy. Our agents now at work are making from \$150 to \$300 a month clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty days' trial and fail to clear at least \$100 in this time, ABOVE ALL EXPENSES, can return all goods unsold to us and we will refund the money paid for them. No such employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double that amount. Our large descriptive circulars explain our offer fully, and these we wish to send to everyone out of employment who will send us three one-cent stamps for postage. Send at once and secure the agency in time for the boom and go to work on the terms named in our extraordinary offer. Address at once,
