

would not be very much. But, seriously, a minister of the Gospel should be treated fairly, and an opportunity given him to devote his whole energy to the work without the constant pressure of daily and corroding care. This the struggle for existence renders all but impossible.

The church wants funds for other purposes, and whilst money is not a substitute for spiritual power, and never can be, yet it is, in its own place, one of the agencies necessary for the due carrying on of the work of the Church. —*Presbyterian, P. E. I.*

Who will have him?

We observe that the Church of England and the Baptists are having a passage at arms, as to which "Body" shall hold possession of the late Hon. Judge Johnston. He lived as a member of the Baptist Church for many years, and it appears shortly before his death he partook of the Sacrament of the Lord's Supper according to the forms of the Church of England, therefore, the Episcopalians claim that he returned to them. But the Baptists refuse to let him go till they get more convincing proof. We would say: having lived the life of a consistent Christian and having died in the Faith, REQUIESCAT IN PACE.

NOTICES AND ACKNOWLEDGMENTS.

CHARLOTTETOWN, Jan. 2nd, 1874.

Would our brethren send returns to the queries and suggestions prepared by the Committee on Christian Life and Work at their convenience? The Committee are anxious to have full returns, that a fair report of the state of our Church may be laid before the Synod at its next meeting. For that end, the time will be extended to the first of March, when it is confidently anticipated the answers will be completed. T. DUNCAN, *Con.*

THE Sabbath School Committees of both Synods appointed a Joint Sub-Committee to prepare a list of books which could be recommended for Libraries. A list of some hundreds will, it is expected, be printed in a few days, and can be had by applying to Rev. A. Simpson, Cogswell St., or to Rev. A. McBean, Book and Tract Depository, Granville St., Halifax.
