A Fine Christmas Stock.

A Fine Christmas Stock.

Long months before the thoughts of the children begin to turn towards the children begin to turn towards christmas and its delightful toys, playthings, and picture books, those who elegate in the business of supplying the children's festival are busy with the task of getting them ready that Santa Claus may not be delayed in his work or the children's festival are busy with the task of getting them in the places the children's festival are busy with the task of getting them in the places of the children of the children of this country, and grid goods ever seen in this country has been considered in the children of the children of the country and grid goods ever seen in this country mas trade. The Commercial, being a grown-up, was permitted this week by the manager, Mr. Henry Bell, to see some of these goods. Such another seems of these goods. Such another had to find anywhere. England, Germany, France, Austria, Italy, the United States and other smaller countries have all contributed towards its

make-up.
One of its most interesting lines is One of its most interesting lines is the toys. These are to be seen in almost endiese variety. The mechanical toys are still much in evidence and toys every care. Magic lanterns are an importance and the still all made of steel and are quite unbreakable. Another line for the girls is
china and delf dishes. These are
shown in a large number of styles and
bong seems now to have an established
place among the games for children
and grown people. Setts are being
purses. They may be had to retail at
from 25c to \$10.00. All the other favorite winter games have a place also
important line. No less than four
eastern factories, two in Canada and
two in the United States have been
the Consolidated Company.

Besides these and many other lines
for the children, the wants of grown
properly are provided for by a largetransparency of the consolidated company
to the consolidate compan

best make.

These are a few of the lines which
The Consolidated Company is offering
for its Christmas trade. We have not
mentioned its smoker's setts, its purses and wallets, its baskets, books or
musical instruments, but they are all
there in great profusion and at better
prices than ever.

A Dominion surveyor who has been surveying for coal in Manitoba during the past summer, has returned to Ottawa and presents a favorable report. His operations were mostly control of the past survey of th

WANTED—A trustworthy gentlemen or lady in each co-id; i manig. Iter ness for an old established house of solid financial standing. A straight, hona fide weekly cash salary of 1850 paid by check each Wednesday, with all expenses, direct from headquarters. Money advanced for expenses. Manager, 360 Caxton Bidg., Ohleago.
