Big Elevator for Fort Arthur.

Big Elevator for Fort Arthur.
The Canadian Northern Railway
company will build a large elevator at
Port Arthur the coming summer. The
contract has been let to J. A. Jamieson, of Montreal, who has completed
plans for a 1,600,000 bushel house for
Mackensie & Mann, to be operated in
connection with the Canadian Northern railway. The structure when completed will cost \$255,600 and will be
completed next September so as to be
in readiness for the 1901 grain crop.
This looks as though the statement
that the Canadian Northern system
will be completed through to Lake Superior in time to handle the next crop,
is likely to be realised.
