Old Father Time, is daily developing new facts and theories, but among his numerous progeny no fact is more incontestible than that the success attending the introduction of G. W. Stone's Liquid Cathartic and Family Physic to the public use, is without a parallel. It admirably meets a want long experienced by all classes of persons, and is rapidly gaining that confidence which it so richly deserves. — [Lowell Courier.]

CALIFORNIA HERB PILLS.

The extraordinary medical virtues of an herb found in California is well known to all who have spent any length of time in that country. The public are now put in possession of an unequalled remedy by the introduction of the above named pills, prepared from said herb. They not only answer all the purposes of a safe and powerful cathartic, but purify the blood, remove bile from the stomach, produce a healthy action of the bowels, restore lost appetite, and eradicate humors from the system.
