HEALTH WHERE 'TIS SOUGHT! HOLLOWAY'S PILLS. The Earl of Aldborough cured of Liver and Stomach Complaint. Extract of a letter from his Lordship, dated Villa Messina, Leghorn, 21st February, 1845. To Professor Holloway— Sir,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount; and at the same time to add, that your Pills have effected a cure of a disorder in my liver and stomach, which all the most eminent of the Faculty at Home, and all over the continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another Box, and a Pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient servant.

These celebrated Pills are wonderfully efficacious in the following complaints. Ague Female Irregularities Scrofula, or King's Evil Bilious Complaints Fits Sore Throats Stone and Gravel Blotches on the Skin Gout Secondary Symptoms Tic-Doloureux Bowel Complaints Headache Indigestion Ulcers Colic Indigestion Ulcers Constipation of the Bowels Jaundice Venereal Affections Consumption Liver Complaints Worms of all kinds Debility Lumbago Weakness from what Dropsy Piles Rheumatism ever cause, &c., &c. Dysentery Rheumatism Retention of Urine Erysipelas

DR. JAMES HOPE'S VEGETABLE PURIFYING HEALTH PILLS AND ORIENTAL BALM. THIS valuable Family Medicine of long-tried efficacy, for correcting all disorders of the Stomach, Liver and Bowels, and those Diseases arising from Impurities of the Blood. The usual symptoms of which are, Costiveness, Flatulency, Spasms, Loss of Appetite, Sick Headache, Giddiness, Sense of Fulness after eating, Dimness of the Eyes, Drowsiness, and Pains in the Stomach and Bowels, Pain in the Side and between the Shoulder, Indigestion, producing a torpid state of the Liver, and a consequent acidity of the Bile, causing a disorganization of every function of the frame, will, in this most excellent combination of Medicinal Agents, by a little perseverance, be effectually removed. A very few doses will convince the afflicted of their salutary effects. The stomach will soon regain its strength; a healthy action of the Liver, Bowels, and Kidneys will speedily take place; and instead of biliousness, heat, pain, and jaundiced appearance, strength, activity and renewed health will be the quick result of taking these medicines, according to the instructions which accompany them. As a potent, safe, and easy aperient, they unite the recommendation of a mild action, with the most successful effect, and require no restriction of diet or confinement during their use; and for Liberty People they will be found to be the most comfortable medicine offered to the public. Females at a certain age should never be without them—they are warranted to contain no Calomel, or any other deleterious ingredient. Stephen Lett, LL.D. John Arnold, Esq. J. Lukin Robinson, Esq. J. H. Hagarty, Esq., Q. C. J. M. Strachan, Esq. P. Vankoughnet, Esq. Thomas Champion, Esq. AGENT—E. TAYLOR DARTNELL, Esq. Office—25, Albert Buildings King-street East, Toronto.

The distinguished success which has attended the establishment of the Church of England Assurance Institution in the United Kingdom, India, &c., has induced the Directors to open a Branch Office of the Company in Canada, with a view of extending the peculiar advantages of this Institution to the inhabitants of that Colony. They feel satisfied that such advantages will be duly appreciated by the Public, and that the same distinguished success will attend the Company's establishments in Canada, and the same powerful support be given to it by the Clergy and Laity residing in the Colony, as have already marked its progress in India and in Europe.

In order to insure such success, and to merit such support, the Directors have, for a long time past, been engaged in repeated deliberations and consultations with men well conversant with, and experienced in, the principles and practice of Life Assurance, with a view to the formation of Branch Establishments in the British Colonies, which will best ensure the three main objects of Policy-holders, viz., SECURITY, ECONOMY, and CONVENIENCE. And they trust that the result of their deliberations has been such as to present to British subjects, resident in these Colonies, as perfect a system of Assurance, in all these respects, as is practicable, or can be desired.

The SECURITY of Policy-holders in Canada is made complete by the large subscribed capital of the Company, guaranteed by a numerous and influential body of Proprietors; whilst for their immediate benefit and protection, AN ADEQUATE FUND WILL BE INVESTED IN CANADIAN SECURITIES, so as always to be immediately available to provide for whatever casualties may arise.

The ECONOMY of Policy-holders has been consulted by the adoption of Tables, deduced from the most complete and extensive observations of the rate of mortality among Assured Lives. They have been constructed expressly for the use of the Church of England Assurance Company; and are framed on the lowest possible scale consistent with the security of the Assured.

By the constitution of the Company, one clear tenth of the entire profits of the Institution is applied to the formation of a fund, called "THE CLERGY FUND," for the Relief of Distressed and Deserving Clergymen, and the Widow and Orphans of Clergymen, and also for granting aid to enable Clergymen with limited incomes to provide for their Families by Assuring their Lives at Reduced Premiums.

Premiums on Assurances by Table II, may be paid either yearly, half-yearly, or quarterly, as may best suit the convenience of the Assured. Death by suicide, duelling, or the hands of justice, will not render the Assurance null and void, if the Policy be duly assigned to another party for a bona-fide consideration.

Claims will be paid within three months after proof of death. Policies forfeited by non-payment of Premium, may be revived within twelve months, upon proof of the same state of health, and the payment of the Premium in arrear, with interest thereon.

The Assured, not being engaged in any Military, Maritime, or Naval Service, will be permitted, without extra Premium, to proceed from one part of British North America to another. Also, to proceed to or from any part of the United States, not further south than the latitude of the city of Washington, or further West than the River Mississippi; they will also be permitted, in time of peace, to proceed in first-class steamers to or from any port in Great Britain or Ireland.

Parties engaged in or entering into the Military, Maritime, or Naval Service, or parties proceeding beyond the limits above mentioned, will be charged such additional rate (to be ascertained by application to the Agent), as the circumstances of the case may require.

Upon payment of the Premium, in cases where the Assurance has been accepted definitely, a Certificate will issue at once, to be held by the Assured until it can be exchanged for a Stamped Policy, under the Hands and Seals of three of the London Directors. In cases where the Assurances shall be entertained, only pending the decision of the London Board, a memorandum of conditional acceptance will be issued, until the receipt out of the Company's advice, conveying the Stamped Policy, or the rejection of the Assurance,—the Company holding the life assured in the interim.
