

## Is It Possible

That a remedy made of such common, simple plants as Hops, Buchu, Mandrake, Dandelion, &c., make so many and such marvelous and wonderful cures as Hop Bitters do? It must be, for when old and young, rich and poor, Pastor and Doctor, Lawyer and Editor, all testify to having been cured by them, we must believe and doubt no longer. See other column.—*For.*

## By Universal Accord.

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effective purgative Pills that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual cathartic is required.

A KENT ST., Halifax, 14th May, 1881.  
To the Hon. Pad Co., Halifax:

GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me. As a "forlorn hope," I was induced to try the Holman Pad Remedies. Your treatment has made an entirely new man of me. My cough has entirely disappeared; Rheumatism nearly all gone, and I am gaining flesh rapidly. I hear of numbers who are praising your remedies, and I also confidently recommend them, even where everything else has failed.

Yours, very truly,  
JOHN LITTLE.

**MOTHERS! MOTHERS! MOTHERS!**  
Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases; and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.

If you are a man of business, weakened by the strain of your duties, avoid stimulants and use Hop Bitters.

If you are young and delicate, or of poor health or languish, rely on Hop Bitters.

Wherever you are, whenever you feel that your system needs cleansing, toning or stimulating, without injurious effects, take Hop Bitters.

Have you dyspepsia, biliousness, or urinary complaint, or indigestion, or any of the stomach, bowels, blood, liver or nervous system? You will be cured if you use Hop Bitters.

If you are simply weak and impoverished, try it. It may save your life. It has saved hundreds.
