The largest apple tree in Ohio is in Washington country, and was planted in 1791 or 1792. The trunk where it is smallest, girths 12 feet 2 inches, and the largest branch girths 7 feet. It is a seedling, which bears a large yellow apple of excellent quality for cooking.

## CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous complaints, and having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 Powers' Block, Rochester, N. Y.

The leaves of the pawpaw trees are employed by the negroes in washing linen, as a substitute for soap. They have also the property of rendering meat wrapped in them tender, owing to the alkaloid papa which they contain, and which acts as a solvent.

C. C. Richards & Co.,

Dear Sir,—I cannot find words to express my thanks to you for your good advice and valuable Liniment that you gave me on board of the S. S. St. Pierre. The foot that you and the other gentleman saw so severely crushed by the falling of such a heavy anchor on it, I am glad to say is now nearly well; yesterday I was able to go out on the street, and after a few days more it will be as well as ever. It was the opinion of some of our skilful doctors here that I would not be able to move it for six weeks, but I am happy to say Minard's Liniment has set them at defiance, and by applying it has restored it back without pain or trouble, only according to the directions on the bottle. For the future I shall not be without it either at sea or on shore. Yours truly, MICH. PERLAN Halifax, N. S.

## THE TEACHEPS' ASSISTANT

To Explain and Illustrate the Canadian Church Sunday School Lessons, adopted by our Provincial Synod of Canada,  
Sept. 16th, 1889.

Price only 30 cents per annum.

Brimful of interesting matter on every Sunday's Lesson.  
No Sunday-school Teacher who tries it will be without it.

The Bishop of Toronto thus writes respecting the Assistant:

"I strongly commend it to the notice of the Clergy of the Diocese, hoping that they will promote its circulation among their Teachers."

The Bishop of Algoma says:

"The Assistant" is certain to prove a valuable aid to conscientious Sunday School Teachers. Designed (as its name implies) to stimulate but not to supersede careful preliminary study of the lesson, it opens up new lines of thought, which cannot fail to give solidity to the instruction conveyed in the Sunday School that use it."

The Bishop of Niagara says:

"The Teachers' Assistant" will be valued by all who feel the need of their own minds being stimulated and informed before going to the class in the Sunday-school.

## CHURCH OF ENGLAND TEACHING.

By the Very Rev. Jas. Carmichael, D.C.L., Dean of Montreal-Paper 10c. Drysdale & Co., Montreal.

The Tract was written to meet the need of the many persons drifting into the Church from other Christian bodies, without a clear realization of the great landmarks of Her distinctive teaching. It condenses into a small and readable space what every one professing to belong to the Church of England should naturally realize and understand.
