BELLS! BELLS!! BELLS!!!

FOR Churches, Academies, Factories, Steamboats, Plantations, &c., made, and a large assortment kept constantly on hand by the Subscribers, at their old established, and enlarged Foundry, which has been in operation for Thirty Years, and whose patterns and process of manufacture so perfected, that their Bells have a world wide celebrity for volume of sound and quality of tone. The present Proprietors have recently succeeded in applying the process of loam moulding in Iron Casting—Bell Casting—which secures a perfect casting and even temper; and as an evidence of the unimpaired excellence of their Bells, they have just received—Jan. 1854—the FIRST PREMIUM (A Silver Medal) of the WORLD'S FAIR in New York, over all others, several from this country and Europe being in competition; and which is, the 18th Medal besides many Diplomas, that has been awarded them. They have patterns for, and keep on hand, Bells of a variety of tones of the same weight, and they also furnish to order CHIMES of any number of Bells, or key, and can refer to several of their make throughout the States and Canada. Their Hangings, comprising many recent and valuable improvements, consist of Cast Iron Yoke, with moveable arms, and which may be turned upon the Bell: Spring acting on the Clapper, prolonging the sound; Iron Frame; Tolling Hammer; Counterpoise; Stop; etc. For Steamboats, Steamships, etc., then improved revolving Yoke, or Fancy Hangings in Brass or Bronze of any design furnished. We can supply whole sets, or parts, of our Improved Hangings, to rehang Bells of other construction, upon proper specifications being given. Old Bells taken in exchange.

Surveyors Instruments of all descriptions, made, and kept on hand.

Being in immediate connection with the principal routes in all directions, either Rail-Road, Canal or River, orders can be executed with despatch, which either personally or by communication, are respectfully solicited.

Two bottles are warranted to cure a nursing-sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of bilious.

Two bottles are warranted to cure the worst cancer in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blisters among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing on the pastures, and along old stone walls, should cure every humor in the system, yet it is now a fixed fact.

If you have a humor it has to start. There are no nooks nor crannies, hums nor ha's about it suiting some cases but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of sixty. I have seen poor, puny, wormy looking children, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache, one bottle will always cure it. It gives a great relief to cutarrh and dizziness. Some who have taken it have been constive for years, and have been regulated by it. Where the body is sound it works quite easy; but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed; they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant eulogiums of it that ever man listened to.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY OF ROXBURY,

HAS discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple.

He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
