# The Aetna Life's Profits

Measured by those of

The Mutual Life Ins. Co. of N. Y.

"The proof of the pudding is in the eating," is an old proverb. Many people think that the word "Mutual" in a company's name guarantees that its Policies will yield them larger Profits than would be otherwise given. Therefore we have pleasure in testing the results obtained from an investment in the AETNA LIFE INSURANCE Co., by the yardstick or measuring-rod of the largest mutual life insurance company in the world.
